SECOND LIEN PATENT SECURITY AGREEMENT

SECOND LIEN PATENT SECURITY AGREEMENT dated as of May 7, 2015 by DJO, LLC, ENCORE MEDICAL ASSET CORPORATION, EMPI, INC., ENCORE MEDICAL, L.P. and RIKCO INTERNATIONAL, LLC (individually, a “**Grantor**”, and, collectively, the “**Grantors**”), in favor of THE BANK OF NEW YORK MELLON, in its capacity as collateral agent for the Secured Parties under the Indenture referred to below (in such capacity, the “**Second Lien Agent**”).

W I T N E S S E T H:

WHEREAS, reference is made to (a) the Security Agreement dated as of May 7, 2015 (as amended, supplemented or otherwise modified from time to time, the “**Second Lien Security Agreement**”), among the Grantors, certain other grantors party thereto and Second Lien Agent and (b) the Indenture dated as of May 7, 2015 (the “**Base Indenture**”) among DJO FINCO INC., a Delaware corporation, and The Bank of New York Mellon, as Trustee (the “**Trustee**”) and as Second Lien Agent defined above, as amended by the Supplemental Indenture dated as of May 7, 2015 (the “**Supplemental Indenture**”; and the Base Indenture, as supplemented by the Supplemental Indenture and as otherwise amended, restated, supplemented or otherwise modified from time to time, the “**Indenture**”), among the Issuers, the Guarantors party thereto, the Trustee and the Second Lien Agent.

NOW, THEREFORE, the Grantors hereby agree with the Second Lien Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Second Lien Security Agreement and used herein have the meaning given to them in the Second Lien Security Agreement.

SECTION 2. Grant of Security Interest in Patent Collateral. Each Grantor hereby pledges and grants to the Second Lien Agent for the benefit of the Second Lien Second Lien Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all the following Collateral (excluding any Excluded Assets) of such Grantor:

- (a) all Patents and patents for which United States registration applications are pending and Patents for which United States registration applications are pending of such Grantor listed on Schedule I attached hereto.

SECTION 3. The Security Agreement. The security interest granted pursuant to this Second Lien Patent Security Agreement is granted in conjunction with the security interest granted to the Second Lien Agent pursuant to the Second Lien Security Agreement and the Grantors hereby acknowledge and affirm that the rights and remedies of the Second Lien Agent with respect to the security interest in the Patents made and granted hereby are more fully set forth in the Second Lien Security Agreement. In the event that any provision of this Second Lien Patent Security Agreement is deemed to conflict with the Second Lien Security Agreement, the provisions of the Second Lien Security Agreement shall control.

SECTION 4. Termination. Upon the termination of the Second Lien Security Agreement in accordance with Section 6.11 thereof, the Second Lien Agent shall, at the expense of such Grantor, execute, acknowledge, and deliver to the Grantors an instrument (in form and substance reasonably satisfactory to the Second Lien Agent) reasonably requested by such Grantor in writing in recordable form releasing the lien on and security interest in the Patents under this Second Lien Patent Security Agreement.

SECTION 5. Governing Law; Jurisdiction; Venue; Consent to Service of Process; Waiver of Jury Trial.

i. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

ii. Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and an appellate court from any thereof, in any action or proceeding arising out of our relating to this Agreement or any other Security Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Security Document shall affect any right that the Trustee, the Second Lien Agent or any Second Lien Secured Party may otherwise have to bring any action or proceeding relating to this Agreement or any other Security Document against any Grantor or its properties in the courts of any jurisdiction.

iii. Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may not or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Security Document in any court referred to in paragraph (b) of this Section 5. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

iv. Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 6.01 of the Second Lien Security Agreement. Nothing in this Agreement or any other Security Document will affect the right of any party to this Agreement to serve process in any other manner permitted by Law.

v. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER SECURITY DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 5.

SECTION 6. Counterparts. This Second Lien Patent Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Second Lien Patent Security Agreement by signing and delivering one or more counterparts. Delivery of an executed signature page to this Second Lien Patent Security Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually signed counterpart of this Second Lien Patent Security Agreement.

SECTION 7. Intercreditor Agreements. Reference is made to the ABL Intercreditor Agreement. Notwithstanding anything herein to the contrary, the lien and security interest granted to the Second Lien Agent, for the benefit of the Second Lien Secured Parties, pursuant to this Agreement and the exercise of any right or remedy by the Second Lien Agent and the other Second Lien Secured Parties are subject to the provisions of the Intercreditor Agreements. In the event of any conflict or inconsistency between the provisions of the Intercreditor Agreements and this Agreement, the provisions of the Intercreditor Agreements shall control.

SECTION 8. Relationship to Indenture. The parties hereto hereby agree that the Second Lien Agent shall be entitled to all of the rights, protections, privileges, indemnities and immunities afforded to it and the Trustee under the Indenture in connection with its execution of this Agreement and performance of its obligations hereunder.

[Signature pages follow.]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
