RELEASE OF GRANT OF SECURITY INTEREST IN INTELLECTUAL PROPERTY

THIS RELEASE OF GRANT OF SECURITY INTEREST IN INTELLECTUAL PROPERTY (this "Release") is made as of May 27, 2015 (the "Effective Date") by Commerzbank Aktiengesellschaft, Luxembourg Branch ("Agent"), for the benefit of AMG Aluminum North America, LLC f/k/a KB Alloys, LLC, a Delaware limited liability corporation ("Grantor").

WHEREAS, pursuant to the Intellectual Property Security Agreement dated as of August 10, 2011 (as the same has been amended, amended and restated, restated, supplemented or otherwise from time to time, the "Security Agreement"), Grantor pledged, granted, assigned and transferred to Agent a continuing security interest in all of its right, title and interest in and to the Collateral (as defined in the Security Agreement), including without limitation, the Intellectual Property and associated goodwill therein listed on Schedule A attached hereto (collectively, the "Intellectual Property" (as defined in the Security Agreement));

WITNESSETH

WHEREAS, pursuant to the Security Agreement, Grantor granted to Agent, for the ratable benefit of the Secured Parties (as defined in the Security Agreement), a continuing security interest in and lien on all of Grantor's rights, title and interests in, to and under all Intellectual Property Collateral, including the intellectual property referred to on Schedule A hereto (the "IP Collateral"), whether now owned or existing or hereafter acquired or arising and wherever located;

WHEREAS, Grantor has fully satisfied the terms of the Facilities Agreement and the Pledge and Security Agreement (collectively, as the same has been amended, amended and restated, restated, supplemented or otherwise from time to time, the "Loan Documents"), including Grantor's Obligations (as defined in the Security Agreement) thereunder, and requests a full and specific release of the security interest granted and recorded against the IP Collateral of Grantor;

WHEREAS, Agent acknowledges Grantor has been released from (i) its obligations under the Loan Documents and (ii) all security interests, mortgages, encumbrances, pledges and other Liens (as defined in the Security Agreement), including the IP Collateral, granted by Grantor in favor of Agent for the ratable benefit of the Secured Parties under any Loan Document; and

WHEREAS, Grantor has requested that Agent release its security interest in the IP Collateral (the "Released Collateral").

NOW THEREFORE, for good and valuable consideration previously tendered by Grantor, including Grantor's fulfillment of all Obligations under the Loan Documents, the fulfillment, receipt and sufficiency of which are hereby acknowledged, Agent does hereby terminate the Security Agreement and relinquish and release the entirety of the security interests in the Released Collateral of Grantor and reassigns forever to Grantor all right, title and interest of any nature whatsoever which Agent holds in or to the Released Collateral of Grantor and associated common law rights and goodwill appurtenant thereto, and further agrees that it shall execute, acknowledge, procure and deliver all other documents and instruments and do all other acts necessary to confirm, relinquish, record and effect the release of such rights to Grantor at the sole expense of Grantor. This Release and any claim, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Release and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction).

Agent authorizes Grantor, or designee, to file this Release for recording with the United States Patent and Trademark Office and other governmental authorities, as applicable and requests that the United States Patent and Trademark Office and other governmental authorities, as applicable, duly record this Release.
