ASSIGNMENT

GLORIA M. BULEY, an individual residing in New York, with an address of 253 Mountain Road, Shokan, New York 12481 ("Assignor"), hereby irrevocably sells, transfers, conveys and assigns to WOODSTOCK TRANSPORTATION COMPONENTS, INC., a Delaware Corporation with an office at 163 Fox Meadow Road, Scarsdale, New York 10583 ("Assignee"), the entire right, title and interest that Assignor currently has or may ever obtain for the United States of America and its territorial possessions, and all foreign countries and patent regions, including all rights of priority, in inventions disclosed in the patents and patent applications identified on Schedule A, all such patents and patent applications, and in and to all Letters Patents of the United States and all foreign countries and patent regions, which may or shall be granted on said inventions, or any parts thereof, and any divisional, continuing, reissue, reexamination, extension or other applications based in whole or in part thereon or which claim priority or are related by terminal disclaimer thereto or therefrom, including the right to recover for past infringement ("Assignment"), to the extent that any such Assignment is not granted by Assignor to Assignee pursuant to a separate assignment document.

Assignor acknowledges having received consideration for this Assignment and agrees for said consideration, upon the request and at the expense of said Assignee, its successors and assigns, to execute all applications, amended specifications, deeds or other instruments, and to do all acts necessary or proper to secure the grant of Letters Patent in the United States and in all other countries and patent regions to Assignee, to vest and confirm in said individual, her successors and assigns, the legal title to all such patents, including any separate written forms of assignment necessary to perfect the Assignment in specific countries and patent regions.

Assignor does hereby authorize and request the Commissioner of Patents and Trademarks of the United States, and the equivalent authority in each other country and patent region in the world, to issue such Letters Patent as shall be granted upon said inventions or applications based thereon to said Assignee, her successors and assigns.

This Assignment and all transfers, conveyances, assignments and obligations therein are effective as of May 26, 2015

IN WITNESS WHEREOF, this Assignment is executed by the undersigned this 26th
day of MAY, 2015.
