ASSIGNMENT

WHEREAS, Peter K. Trzyna, a U.S. citizen residing at 195 North Harbor Drive, Suite 5403, Chicago, Illinois (hereinafter called the "Assignor"), is the owner of the entire right, title and interest in and to United States Patent No. 5,956,491, and United States Application No. 09/399,578 as set forth below;

WHEREAS, Windy City Innovations, LLC, a limited liability company organized and existing under the laws of the State of Delaware, having a place of business at 195 North Harbor Drive, Suite 5403, Chicago, Illinois (hereinafter called the "Assignee"), desires to acquire the entire right, title and interest in and to United States Patent No. 5,956,491 and United States Application No. 09/399,578 as set forth below;

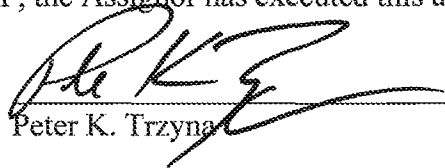

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other valuable and legally sufficient consideration, the receipt of which by the Assignor from the Assignee is hereby acknowledged, the Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer to the Assignee, the entire right, title and interest, including the right to sue and collect for past damages, in and to United States Patent No. 5,956,491 and United States Application No. 09/399,578, both titled "Group Communications Multiplexing System," and any U.S. or foreign patents and applications that claim priority thereto or the applications therefore; including the full right to claim for any such patent or application all benefits and priority rights under any applicable law or convention; together with the entire right, title and interest in and to all continuations, divisions, renewals, reissues and extensions of any of the patents and applications defined above; to have and to hold for the sole and exclusive use and benefit

of the Assignee, its successors and assigns, to the full end of the term or terms for all such patents. The effective date of this Assignment is June 22, 2004.

The Commissioner of Patents and Trademarks is hereby authorized and requested to record this assignment and to issue patents to the Assignee in accordance with the terms of this Assignment.

IN TESTIMONY WHEREOF, the Assignor has executed this agreement.

DATED: June 22, 2004

Peter K. Trzyna
