ASSIGNMENT

Whereas I,

Certaflex BV
De Hulst 16
5807 EW Oostrum-Venray
The Netherlands

(the ASSIGNOR)

am co-applicant of the following patent application identified as:

PCT/EP2013/077876, published as WO 2014/096442 A2

And whereas,

T.E.L. Mulder
Schaafsebosweg 10
6598 DB Heijen
The Netherlands

And

Almotec B.V.
De Hulst 16
5807 EW Oostrum-Venray
The Netherlands

(the ASSIGNEES)

are desirous of obtaining the entire right title and interest in the above identified applications, any inventions mentioned therein and any patents that have been granted on any of those applications or national stage equivalents to date, equally divided among the ASSIGNEES ;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I, said ASSIGNOR, do hereby assign and transfer to said ASSIGNEES my entire right, title and interest in all countries of the world in and to my patent applications and any inventions described in said patent applications, patents as far as granted based on these applications, and the right to file patent applications in the name of ASSIGNEES, its designee, or in my name, at its election, on the aforesaid inventions in all countries of the world, together with all rights of priority in the aforesaid countries deriving from the above-identified applications under the International Convention for the Protection of Industrial Property, under the Inter-American Convention relating to Inventions, Patents, Designs and Industrial Models and under any other international arrangement to which the United States now is or hereafter becomes a signatory, in and to any and all Letters Patent that are granted from any of the aforesaid patent applications, in and to any applications claiming priority benefits to a provisional patent application or other applications filed on said inventions, and in and to any continuations, divisions, reissues, renewals and extensions thereof of any of said Letters Patent, the same to be held and enjoyed by said ASSIGNEES, their successors, assigns and other legal representatives, to the full ends of the terms for which all Letters Patent therefor may be granted, as fully and entirely as the same would have been held and enjoyed by me if this assignment had not been made.

AND I HEREBY covenant and agree that I will at any time, upon the request and at the expense of ASSIGNEES, execute and deliver any and all documents that may be necessary or desirable to perfect the title to the foregoing inventions, patent applications, and Letters Patent and continuations, divisions, reissues, renewals and extensions thereof in ASSIGNEES, their successors, assigns or other legal representatives, including the execution and procurement of any and all further documents evidencing this assignment and sale as may be necessary or desirable for recording the same in the Patent Office of any country concerned, and that I will, at any time, upon the request and at the expense of ASSIGNEES, execute any additional or divisional applications for patents for said inventions, or any part or parts thereof, and applications for patents of confirmation, registration and importation based on said Letters Patent and on Letters Patent issuing from said additional or divisional

applications and reissues, renewals and extensions therefor, and will make all rightful oaths and declarations and do all lawful acts requisite for procuring the same or for aiding therein, without further compensation, but at the expense of ASSIGNEES, their successors, assigns or other legal representatives.

And I further covenant and agree that I will at any time, upon request, communicate to ASSIGNEES, their successors, assigns or other legal representatives, any facts relating to the said inventions and Letters Patent, or the history thereof known to me, and will testify as to the same in any interference, litigation, or any other legal proceeding, when requested to do so.

The ASSIGNEES herewith accept the assignment by ASSIGNOR, as acknowledged by the co-applicant Benny Omer Rosa van Buynder of the above-identified international patent application (signatures on next page):
