RECORDABLE PATENT ASSIGNMENT

This Recordable Patent Assignment is between New Cingular Wireless Services, Inc. ("New Cingular Wireless Services"), a Delaware limited liability company, and Cingular Wireless II, Inc. ("Cingular Wireless II"), a Delaware limited liability company.

Effective on April 27, 2004, for good and adequate consideration, the receipt and sufficiency of which has been and hereby is acknowledged, New Cingular Wireless Services hereby assigns, transfers, and conveys and/or has assigned, transferred, and conveyed to Cingular Wireless II all of New Cingular Wireless Services' rights, title and interest in and to the patents and pending patent applications identified on Attachment A (the "Patents"), with respect to which and to the extent to which New Cingular Wireless Services has or previously had the right to so assign, transfer and convey such rights, including all claims for past infringement, and all divisions, reexaminations, reissues, substitutions, continuations, continuations-in-part and extensions thereof, including the right to file applications and obtain patents, utility models, industrial models and designs for said inventions in its own name throughout the world including all rights of priority, all rights to public cautionary notices reserving ownership of said inventions and all rights to claim and register said inventions in appropriate registries. New Cingular Wireless Services has further agreed to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such rights, title and interest in Cingular Wireless II, its successors, assigns and legal representatives.

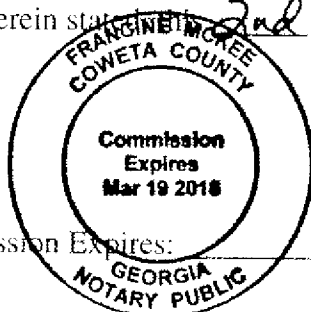

IN WITNESS WHEREOF, New Cingular Wireless Services has caused this Recordable Patent Assignment to be executed by its duly authorized representative.
