ASSIGNMENT

Whereas, I, Daniel Driscoll, who resides at 33 Anderson Road, Middletown, Connecticut 06457, has made certain inventions and discoveries set forth in an application for Letters Patent of the United States of America entitled ROBOTIC CARCASS PROCESSING METHOD AND SYSTEM, which application was executed by me on the _____ day of _____, 20____, and is identified by DeLIO, PETERSON & CURCIO, LLC Docket No. JVS110136000, filed with the United States Patent and Trademark Office on the 1st day of May, 20 14 having serial no. 61/987,024. I hereby grant authority to my attorneys to enter the serial number of the above-identified patent application in this assignment document upon receipt of such serial number from the United States Patent and Trademark Office.

Whereas, Jarvis Products Corporation, a Connecticut corporation, whose address is 33 Anderson Road, Middletown, Connecticut 06457, together with its successors and assigns is hereinafter called "Assignee", is desirous of acquiring the title, right, benefits and privileges hereinafter recited:

Now, Therefore, for valuable consideration furnished by Assignee to me, the receipt and sufficiency of which I hereby acknowledge, I hereby, without reservation:

1. Assign, transfer and convey to Assignee the entire right, title and interest in and to said inventions and discoveries, said application for Letters Patent of the United States of America, any and all other applications for Letters Patent on said inventions and discoveries in whatsoever countries, including all divisional, renewal, substitute, continuation and Convention applications based in whole or in part upon said inventions or discoveries, or upon said applications, and any and all Letters Patent and reissues and extensions of Letters Patent granted for said inventions and discoveries or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said discoveries, said applications and said Letters Patent;

2. Authorize Assignee to file patent applications in any or all countries on any or all of said inventions and discoveries in my name or in the name of Assignee or otherwise as Assignee may deem advisable, under the International Convention or otherwise;

3. Authorize and request the Commissioner of Patents of the United States of America and the empowered officials of all other governments to issue or transfer all said Letters Patent to Assignee, as assignee of the entire right, title and interest therein or otherwise as Assignee may direct;

4. Warrant that I have not knowingly conveyed to others any right in said inventions, discoveries, applications or patents or any license to use the same or to make, use or sell anything embodying or utilizing any of said inventions or discoveries; and that I have good right to assign the same to Assignee without encumbrance;

Daniel Driscoll
Daniel Driscoll

On this _____ day of _____, 20____, before me appeared Daniel Driscoll, to me known and known to me to be the person described in and who executed the foregoing instrument and he acknowledged the same to be his free act and deed.
