PATENT ASSIGNMENT

This Agreement is made between Kaston Fixtures & Design Group, LLC, a Texas limited liability company, with an address at 8610 Directors Row, Dallas, TX 75247 (the "Assignee") on one side, and John Steger, a U.S. citizen with a residential address at 13404 Tangleridge Ln., Dallas, TX 75240 (the "Inventor") on the other side.

WITNESSETH:

WHEREAS, the Inventor invented a multipurpose stand (the "Invention"); and

WHEREAS, the Inventor filed for and was granted a U.S. Design Patent No. D704,968S under the title "MultiPurpose Stand" granted on May 20, 2014 for the Invention (the "Patent"); and

WHEREAS, the Inventor is an owner and President of the Assignee and invented the Invention under such capacity; and

WHEREAS, the Inventor is desirous of assigning all of his rights, including patent rights, to the Invention and the Patent; and

WHEREAS, the Assignee is desirous of obtaining the Inventor's rights in the Invention and the Patent and taking over enforcing any patent rights in the Patent in the Assignee's sole discretion.

NOW, THEREFORE, for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignee and the Inventor agree as follows.

1. The Inventor hereby assigns without limitation to the Assignee for the territory of the United States of America and the entire world, his entire right, title, and interest in and to the Invention and the Patent, including all divisionals, continuations, continuations-in-part, renewals, reissues, or substitute applications, and also including all priority rights for patent applications foreign to the United States of America. The Inventor hereby transfers and conveys to the Assignee the right to recover for any past, present, and future infringement of the Patent assigned herein.

2. The Inventor hereby covenants and agrees, for himself and his legal representatives, that he will:

(a) assist in the making and prosecuting of any other applications for patents that the Assignee may elect to make covering the Invention, including any applications for reissue, applications for reexamination, and applications for foreign patent rights;

(b) assist in any proceedings in the United States Patent and Trademark Office affecting the Invention;

(c) invest in the Assignee exclusive title in and to all such other applications and patents claiming priority through the Patent;

(d) assist in the prosecution of any interferences, which may arise involving the Invention, or any applications or patents herein contemplated;

(e) promptly execute and deliver to the Assignee any and all additional papers and make all lawful oaths, which may be requested by the Assignee to fully carry out the terms of this Patent Assignment;

(f) communicate to the Assignee, or to its successors, assigns, and legal representatives, any facts known respecting the Invention;

(g) at the expense of the Assignee, testify in any legal proceedings; and

(h) generally do everything possible to aid the Assignee, its successors, assigns, and nominees, to obtain and enforce proper patent protection for the Invention in all countries.

[Signature page follows]

IN WITNESS WHEREOF, the parties have executed this Agreement, effective
June 10, 2015.
