ASSIGNMENT

WHEREAS, Regents of the University of Minnesota have an ownership interested in the invention entitled Mechanoresponsive Reactive Biomaterials, for which an application for Letters Patents of the United States has been made, said application being filed on _____; **OR** and which may be identified in the United States Patent Office by Serial No. PCT/US2012/063960, filed on 07-Nov-2012; **OR** which may be identified in the United States Patent Office as patent number _____, issued on _____;

Whereas, The individual(s) ("Assignee(s)") identified below is/are desirous of acquiring the entire right, title and interest in and to said invention, as manifested in said application said application and in, to and under any and all Letters Patent to be obtained therefore;

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and subject to the terms and conditions of that certain Assignment and Waiver Agreement between the parties, dated 1st day of May 2014 we have sold, assigned and transferred, and set over and by these presents do hereby sell, assign and transfer unto said Assignee(s), its/their successors and assigns, the University's entire right, title and interest in and to said invention, said application, all divisions, continuations or renewals thereof, and the Letters Patent, both foreign and domestic, that may or shall issue, therefrom including all reissues or extensions of such patents including all of our rights under the International Convention, and we do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the Assignee(s) in accordance herewith.

We hereby authorize said Assignee(s), its/their successors and assigns, or anyone it/they may properly designate, to apply for Letters Patent, in its/their own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the International Convention.

We hereby authorize the Assignee(s), its/their successors and assigns, or anyone it/they may properly designate, to insert in this instrument the date of execution and/or filing date and serial number of said application when ascertained.

Upon said consideration we do hereby covenant and agree with Assignee(s), its/their successors and assigns, that we will not execute in writing or do any act whatsoever conflicting with these presents, and that we or our executors or administrators will at any time upon request, without further or additional consideration, but at the expense of said Assignee(s), its/their successors and assigns, execute such additional writings and do such additional acts as said Assignee(s), its/their successors and assigns, may deem necessary for desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reissues or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights occurring as a result of such application or patents, by giving testimony in any proceedings or transactions involving such applications or patents.
