PATENT ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, we, John Matthew Miller, residing at 891 Harris Road, Grayslake, IL 60030, United States of America; Thomas John Downs, residing at 4107 Howard Avenue, Western Springs, IL 60558, United States of America; and Michael Chad Wiggins, residing at 214 Gregory M. Sears Drive, Gilberts, IL 60136, United States of America, hereby sell and assign to **SHURE ACQUISITION HOLDINGS, INC.**, ("Assignee"), a corporation organized and existing under the laws of the State of Illinois, having its principal place of business at 5800 West Touhy Avenue, Niles, IL 60714, its successors, assigns, nominees, or other legal representatives, the entire right, title, and interest in and to the invention entitled "**MICROPHONE**" invented by us, and the design application for United States patent therefor, which has been assigned Application No. 29/511,301, which was filed on December 9, 2014, and all original and reissued patents granted therefor, and all divisions and continuations thereof, including the subject matter of any and all claims which may be obtained in every such patent, and the right to apply for and obtain patents and Utility Model Registrations which may be granted thereon in such foreign countries. We hereby authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any other country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue said Letters Patent or Utility Model Registration to the Assignee, its successor, assigns, nominees, or other legal representatives, as assignee of the entire interest herein assigned.

We covenant that we have not executed and will not execute any agreement in conflict herewith and agree that we will communicate to the Assignee, its successors, assigns, nominees, or other legal representatives, all facts known to us respecting said invention, whenever requested, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, and do all lawful acts requisite for the application for such divisional, continuing, or reissue applications, or the procuring thereof, and that if and when the Assignee, its successors, assigns, nominees, or other legal representatives desire to file a disclaimer relating thereto, we will, upon request, sign all lawful papers requisite for the filing of such disclaimer.

We further covenant and agree that we will, at any time upon request, do everything legally possible to aid the Assignee, its successors, assigns, nominees, or other legal representatives, either in its or their own names, to apply for, obtain, and enforce proper patent and/or Utility Model protection for said invention in all countries, all without further consideration but at the expense of the Assignee, its successors, assigns, nominees, or other legal representatives.

IN TESTIMONY WHEREOF, I have hereunto set my hand this 3 day of June,
