ASSIGNMENT

WHEREAS, We, **David A. Aubry**, a citizen of the United States, residing at 36111 Shady Bluff Lp, Zephyrhills, Florida 33541 in the County of Pasco, and the State of Florida, and **Daniel R. Matlick**, a citizen of the United States, residing at 1704 Douglas Ave., Ames Iowa 50010, in the County of Story, and the State of Iowa, have made an invention entitled **Multistage Process For Removal of Phosphorus, Fluoride, and Arsenic Species From Water via Complexation and Solubility Control** and have today executed a provisional application for Letters Patent of the United States of America based thereon;

NOW, THEREFORE, for good and valuable consideration, receipt of which is acknowledged, and we have agreed to assign and transfer and do hereby assign and transfer unto **Pattison Sand Company LLC**, a limited liability company of the State of Iowa, having its principal office at 701 First Street, Clayton, Iowa 52049, its successors and assigns, the entire right, title and interest in and to the said invention and application, and in and to any nonprovisional, division, continuation or continuation-in-part, of said application, and in and to any and all improvements in the said invention made by us or made jointly with others (provided any such improvement is made during our employment by said Company or within one year thereafter), and in and to any and all Letters Patent and reissues and extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted thereon or on any divisional, continuation (in whole or in part), renewal, reissue or other or further application based in whole or in part upon the said invention or improvements thereof, to be held and enjoyed as fully and exclusively as they would have been by us had this assignment and transfer not been made;

We do further agree for ourselves and for our heirs, executors and administrators, to execute and deliver without further consideration any further applications, assignments and documents, and to perform such other acts as we lawfully may, that may be deemed necessary by the said **Pattison Sand Company LLC**, its successors, assigns and nominees, fully to secure its interest as aforesaid and to obtain or maintain Letters Patent in any and all countries;

As we do hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent which may be granted upon any of the said applications, to the said **Pattison Sand Company LLC**, as the assignee of the entire interest thereon.
