ASSIGNMENT AND AGREEMENT

For value received, we, **John Davies** of the City of Sunnyvale in the State of California in the United States of America, and **Martin Chapman** of the City of Egerton in the United Kingdom, hereby sell, assign and transfer to **Rockliffe Systems**, a corporation of the State of California, having an office at 1901 South Bascom Avenue, Suite 900, Campbell, California 95008, U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **CONTENT-BASED NOTIFICATION AND USER-TRANSPARENT PULL OPERATION FOR SIMULATED PUSH TRANSMISSION OF WIRELESS EMAIL** described in an application for Letters Patent of the United States, filed February 2, 2013 as United States Patent Application Serial No. 13/757,775, with a claim of priority to and as a continuation of United States Patent Application Serial No. 12/418,571, now U.S. Patent No. 8,428,604 issued April 23, 2013, with a claim of priority to and as a continuation of United States Patent Application Serial No. 11/268,903, filed November 7, 2005 and now U.S. Patent No. 7,532,890 issued May 12, 2009, which further claims priority to United States Provisional Patent Application Serial No. 60/667,038, filed April 1, 2005, and any and all divisional, continuation and continuation-in-part applications thereof, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to Rockliffe Systems the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize Rockliffe Systems to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Rockliffe Systems to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.
