ASSIGNMENT

I, JOHN SCOTT MESCHKE of 8829 NE 178th Street, Bothell, WA 98011, am an inventor of inventions described in International Application Serial No. PCT/US2009/067565, entitled RATIOMETRIC PRE-rRNA ANALYSIS, filed on December 10, 2009.

The Assignee, University of Washington, 4311 11th Avenue NE, Suite 500, Seattle, WA 98105, desires to secure my entire right, title and interest therein.

For good and valuable consideration, the receipt and sufficiency of which I hereby acknowledge, I HEREBY ASSIGN TO THE ASSIGNEE:

My entire right, title and interest in said inventions in the above-identified international patent application and in all divisions, continuations and continuations-in-part of said application, or reissues or extensions of letters patent or patents granted thereon, and in all corresponding applications filed in the United States and in countries foreign to the United States, including all divisions, continuations and continuations-in-part of said applications, and in all patents issuing thereon, including all reissues, or extensions of said patents, in the United States and foreign countries.

The right to file foreign patent applications on said inventions in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

I hereby authorize and request the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all patents on said inventions to the Assignee as the owner of the entire interest, for the sole use and benefit of the said Assignee, its successors, assigns and legal representatives.

I hereby agree, without further consideration and without expense to myself, to sign all lawful papers and to perform all other lawful acts which the Assignee may request of me to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue, and other United States and foreign patent applications on said inventions, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of my ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension, or infringement proceedings involving said inventions.

This assignment and agreement shall be binding upon my heirs and legal representatives.

DATED this 6th day of June, 2011.
