Attorney Docket No. 025522-000046

ASSIGNMENT

THIS ASSIGNMENT, made by me, Peter Lindberg, a citizen of Sweden,
WITNESSETH: That,

WHEREAS, I am the inventor of certain new and useful improvements in

BUILDING BOARD AND METHOD OF MOUNTING

(hereinafter referred to as the "Invention") for which: U.S. Utility Patent Application No. 14/420,637 was filed on February 9, 2015, with the United States Patent and Trademark Office (hereinafter referred to as the "Application"); and

WHEREAS, Oneday Wall AB having a principal place of business c/o Inkubera, Forskarvagen 1, 702 18 Orebro, Sweden (hereinafter referred to as "Assignee"), is desirous of acquiring the entire right, title, and interest in and to said Invention and said Application, and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries.

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have sold and by these presents do hereby sell, assign, transfer, and convey unto the said Assignee, its successors and assigns, the entire right, title, and interest in and to the said Invention and said Application, and in and to any and all non-provisionals, continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues, reexaminations, reviews, or extensions thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted, together with the right to claim the priority of said Application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by me if this Assignment and sale had not been made.

I hereby authorize the Assignee or its designee to insert the Application number and filing date into the preamble of this Assignment following my execution of the Assignment.

I hereby request that said Letters Patent be issued in accordance with this Assignment.

I further covenant and agree that, at the time of the execution and delivery of these

presents, I possess full title to the Invention and Application above-mentioned, and that I have the unencumbered right and authority to make this Assignment.

I further covenant, and agree to bind my heirs, legal representatives, and assigns, promptly to communicate to said Assignee or its representatives any facts known to me relating to said invention, to testify in any interference or legal proceedings involving said Invention, to execute any additional papers which may be requested to confirm the right of the Assignee, its representatives, successors, or assigns to secure patent or similar protection for the said Invention in all countries and to vest in the Assignee complete title to the said Invention and Letters Patent, without further compensation, but at the expense of said Assignee, its successors, assigns, and other legal representatives.

IN WITNESS WHEREOF, I have hereunto set my hands and seal on this 9 day of
February, 2015.

_____(SEAL)
Peter Lindberg
