**DECLARATION**

I, MICHAEL EDWARD SMITH LUNA, hereby declare that the Assignee name, "AliphCom, Inc." is typographically incorrect on the assignment document recorded for 1) the patent applications and patents listed herein or 2) continuing patent applications or patents issuing or to be issued thereon, which claim the benefit of those patent applications listed herein. The typographically correct assignee name was (i.e., at the time of execution of the assignment documents) and is presently "AliphCom." Pursuant to Section 323.01(b) of the Manual for Patent Examining Procedures, I believe the inventors for the properties listed herein are not available to correct the typographical error in the erroneous assignment form or to execute a new one as AliphCom is the employer and was the party responsible for drafting the assignment with the typographical error. "AliphCom, Inc." is not and has never been a registered corporate name for AliphCom or any entity having a direct or indirect corporate relation to AliphCom.

All statements set forth herein are made of my own knowledge and are true and are made on information and belief by me that said statements are believed to be true. By signing this Declaration, I acknowledge the warning that willful false statements and the like are punishable by fine or imprisonment, or both under 18 U.S.C. §1001 and may jeopardize the validity of the patent applications or patents listed herein, or any patents that may issue thereon.

Declared,
