INTELLECTUAL PROPERTY AGREEMENT

by and between

NOVARTIS AG

a company duly incorporated under the laws of Switzerland,
at Lichtstrasse 35, CH-4056 Basel Switzerland

(hereinafter referred to as "Novartis")

and

SYNGENTA PARTICIPATIONS AG

a company duly incorporated under the laws of Switzerland
at Schwarzwaldallee 215, CH-4058 Basel, Switzerland

(hereinafter referred to as "Syngenta Participations")

Business means, if the term relates to Syngenta, the world-wide crop protection and seeds business as conducted by Novartis Agribusiness as defined hereunder, or, if it relates to Novartis, the retained business conducted by the Novartis Group not including Novartis Agribusiness;

IP-Rights means all, or one or more, of the following tangible or intangible intellectual property and rights related thereto as the case may be: Copy-rights, moral rights, Patents,

Patents means applications for and granted patents, technical design rights, petty patents, utility models and the like, or related rights issuing from applications, together with all re-issues and extensions of granted patents. Patents also includes the right to claim priority, rights to any composition of matter deposited or to be kept and maintained in support of Patents, rights to note-

books and invention disclosures or any other data or documentation in support of ownership of invention, oppositions, invalidation actions, interferences or declaratory judgement actions filed or declared by the competent authorities against third parties patents and related rights.

Article 3: OWNERSHIP AND/OR LICENSE OF IP-RIGHTS

A. Ownership

- 3.1. Novartis agrees that Syngenta Participations shall have the unrestricted ownership, right in and title and ownership to all IP-Rights related to its Business

by
h

and Novartis herewith assigns or procures the assignment by its Subsidiaries of such IP-Rights to Syngenta Participations according to the terms and conditions of this Agreement. The transfer of ownership of such IP-Rights to Syngenta Participations shall be executed by contribution in kind.

D. Patents, PVP and other related technical IP-Rights

- 3.8. Ownership of Patents, PVP and all other related technical IP-Rights and matters, which have been filed by or on behalf of Novartis Agribusiness on or prior to the Completion Date (as listed in Annex 4 hereto), shall be assigned and transferred to Syngenta Participations as per the Signature Date, unless such IP-Rights are Dual Use-IP Rights, in respect to which Novartis is the Major User, in which case Syngenta Participations and/or its Subsidiaries shall be granted an irrevocable, transferable, world-wide, royalty free, exclusive license under such IP-Rights for its Field of Use with the right to sublicense.

Article 16: LAW AND ARBITRATION

- 16.1 This Agreement and the relationship between the Parties shall be governed by and interpreted in accordance with Swiss law, excluding its principles of conflict of laws.
- 16.2 All disputes arising out of or in connection with this Agreement, which have failed to be settled under the procedures set out in Article 15, shall be finally settled, to the exclusion of ordinary courts, under the International Arbitration Rules of Arbitration of the Zürich Chamber of Commerce by one or more arbitrators appointed in accordance with the said Rules.
- 16.3 The place of arbitration shall be Zürich, and the arbitration shall be conducted in English.

Nothing in this clause shall prevent either Party from seeking interim relief from any competent court.
