GE Docket No. 280688-1

COMBINED DECLARATION AND GLOBAL ASSIGNMENT
FOR UTILITY OR DESIGN PATENT APPLICATION

As the below named inventor(s), I/we hereby declare that:

This declaration and assignment are directed to:

POWER GENERATION SYSTEM EXHAUST COOLING

☐ the specification of which is attached hereto OR

☐ United States application or PCT international application number

______________________________, filed on ____________________________, as

amended on [date] (if applicable).

(We hereby authorize and request the Company or its delegated attorneys or agents to insert above
the application number and filing date of the application when known.)

The above-identified application was made or authorized to be made by us.

We believe that we are original joint inventors of a claimed invention in the application.

We hereby acknowledge that any willful false statement made in this declaration is punishable under 18
USC § 1001 by fine or imprisonment of not more than five (5) years, or both.

We have reviewed and understand the contents of the above-identified application, including the
claims, as amended by any amendment referred to above.

We acknowledge the duty to disclose information which is material to the patentability of this application as
defined in 37 CFR § 1.56, including, for continuation-in-part applications, material information which became
available between the filing date of the prior application and the filing date of the continuation-in-part
application.

In accordance with our obligation(s) under an Employee Innovation and Proprietary Information Agreement
or (as applicable) arising out of other agreements (such as, but not limited to, the Services Agreement
between General Electric Company, a New York corporation, and our employers), and/or for other good and
valuable consideration of which we acknowledge receipt, I/we,
