ASSIGNMENT

FOR VALUE RECEIVED, I, PETER C. ANDERSEN

hereby sell, assign and transfer unto

2B TECHNOLOGIES, INC.
2100 CENTRAL AVE. SUITE 105
BOULDER, CO 80301

as assignee, and its successors, assigns and legal representatives, the entire right, title and interest, for all countries in and to certain inventions relating to Aqueous Ozone Monitor Utilizing Gas Stripping described in an application for Letters Patent of the United States number 14/752,149, filed on the 26th day of June, 2015, and all the rights and privileges under any and all Letters Patent that may be granted therefor.

I hereby authorize and request Polson Intellectual Property Law, PC to insert the filing date and application number of said application when known.

I agree that, when requested, I will, without charge to said assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said assignee, its successors, assigns and legal representatives or nominees.

I authorize and empower the said assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said assignee or nominee to claim the aforesaid benefit of the right of priority provided by the

International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

I covenant with said assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that I have full right to convey the same as herein expressed.

Signed at Boulder, CO this 24th day of June, 2015
