JOINT ASSIGNMENT

THIS ASSIGNMENT, by Benjamin D. Pless and Michael Sasha John (hereinafter the assignors), residing at 5 Ridgeview Drive, Atherton, California 94027 and Apartment 6A, 2 Washington Square, Larchmont, New York 10538, respectively, witnesseth:

WHEREAS, said assignors have invented certain new and useful improvements in an *Implantable System Enabling Responsive Therapy for Pain*, set forth in an application for Letters Patent of the United States bearing Serial No. 11/374,380 and filed on March 13, 2006; and

WHEREAS, NeuroPace, Inc., a corporation duly organized under and pursuant to the laws of the State of Delaware USA, and having its principal place of business at 1375 Shorebird Way, Mountain View, California 94043 (hereinafter referred to as the assignee) is desirous of acquiring the entire right, title and interest in and to said inventions and said application for Letters Patent of the United States, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefor and thereon:

NOW, THEREFORE, for valuable, good and sufficient consideration, the receipt of which is hereby acknowledged, the assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto said assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions, applications for Letters Patent, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and in and to any and all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by said assignee, for its own use and the use of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the assignors, had this sale and assignment not been made.

AND, for the same consideration, said assignors hereby covenant and agree to and with said assignee its successors, legal representatives and assigns, that said assignors will, whenever counsel of said assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with Letters Patent for said inventions in any country, including interference proceedings, is lawful and desirable, or that any division, continuation, or continuation-in-part of any application for Letters Patent or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said inventions, without charge to said assignee, its successors, legal representatives and assigns, but at the cost and expense of said assignee, its successors, legal representatives and assigns.

AND, said assignors hereby request the Commissioner of Patents to issue said Letters Patent of the United States to said assignee of said inventions and the Letters Patent to be issued thereon for the sole use of said assignee, its successors, legal representatives and assigns.
