ASSIGNMENT

We, Mitch Johnson, 8234 South 2600 East, South Weber, Utah 84405, Frank Clegg, 1472 Green Road, Fruit Heights, Utah 84037, and Wendell Peery, 278 East Shepard Lane, Kaysville, Utah 84037, have invented a method and apparatus entitled NAME PLATE FOR A TABLE TOP, hereinafter called the "invention."

Preferred embodiments of said invention are disclosed in a United States patent application which:

- ☐ is executed concurrently herewith for filing in the United States Patent and Trademark Office and has been assigned Application Serial No _____, with a filing date of _____.
- ☒ was previously filed in the United States Patent and Trademark Office on March 25, 2015 as United States Patent Application Serial No. 29/521,673.

The Assignee, Lifetime Products, Inc., a corporation of the State of Utah, having a principal place of business at Freeport Center, Building D-11, Clearfield, Utah 84016, desires to secure the entire right, title and interest in said invention and said application.

Therefore, for good and valuable consideration, the receipt, sufficiency and adequacy of which is hereby acknowledged, WE HEREBY ASSIGN TO THE ASSIGNEE:

The entire right, title and interest in the above-identified U.S. provisional patent application and in said invention of the above-identified U.S. provisional patent application and in all subsequent non-provisional utility patent applications claiming priority thereto, all divisions, continuations and continuations-in-part of said non-provisional patent applications, or reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding patent applications which may be filed in countries foreign to the United States, and in all patents issuing thereon in the United States and Foreign countries.

The right to file foreign patent applications on said invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such application.

We hereby authorize and request the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all patents on said invention to the Assignee as the owner of the entire interest, for the sole use and behalf of the said Assignee, its successors, assigns and legal representatives.

We hereby agree, without further consideration and without expense to us, to sign all lawful papers and to perform all other lawful acts which the Assignee may request of us to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue, and other United States and foreign patent applications on said invention, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of our ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension, or infringement proceedings involving said invention.

This assignment and agreement shall be binding upon our heirs and legal representatives.
