ASSIGNMENT

For value received, the receipt, sufficiency, and adequacy of which is hereby acknowledged, We, Gardner T. Baldwin, a resident of Houston, Texas, Victor J. DeLeon, a resident of Alvin, Texas, and Phillip C. Kelly, a resident of Houston, Texas, hereby sell, assign and transfer unto George Myer Company, Inc., as Assignee, all of our right, title and interest in and to all inventions disclosed and/or claimed in a certain provisional patent application, entitled "A High Temperature/Pressure Specialized Swage Coupling for Corrugated Metal Lined High Temperature/Pressure Reinforced Hose and Method of Attachment", filed in the United States Patent and Trademark Office as Provisional Patent Application S/N 61/796,810 on 20 November 2012, and all of our right, title and interest in and to any patent application and any patent deriving therefrom, and in and to any patent applications filed either singly or jointly by us for any of said inventions, including all utility patent applications, divisions, reissues, continuations, extensions, substitutions and applications foreign to the United States, together with all right to make application for and obtain patent protection for said invention or inventions in any and all countries foreign to the United States and specifically including the right to claim priority under the terms of the International Convention based on said application for Letters Patent in the United States; and all of our right, title and interest in and to all patents granted on said invention or inventions.

AND WE HEREBY authorize and request the Commissioner of Patents and Trademarks or any other proper officer to issue all Letters Patent granted on said invention or inventions to the said George Myer Company, Inc.

AND WE HEREBY covenant that we will communicate to the said George Myer Company, Inc. or ITS representatives, successors and assigns, whenever requested, any facts known to me respecting said inventions, and we will testify in any legal proceedings, sign all lawful papers, execute all utility patent, divisional, continuing, reissue applications, and all rightful oaths relating to said invention or inventions; and we will generally do everything possible to aid the said George Myer Company, Inc. or ITS representatives, successors or assigns to obtain and enforce protection for said invention or inventions in all countries.

EXECUTED this the Thirty-first day of January, 2013.

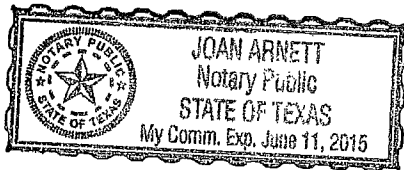

Gardner T. Baldwin
