ASSIGNMENT

WHEREAS, We, **Jason A. Michaud**, residing at 3847 Maybreeze Road, Marietta, GA 30066, a citizen of the United States of America; **Michael L. Oken**, residing at 2665 Northside Drive NW, Atlanta, GA 30305, a citizen of the United States of America; and **Gregory P. McGraw**, residing at 4650 Aberlour Way SE, Marietta, GA 30067, a citizen of the United States of America ("assignor(s)), have invented new and useful improvements for which we filed a U.S. design patent application in the United States Patent and Trademark Office on June 5, 2015, which is entitled "**SMALL FORM ENCLOSURE FOR COMPUTER DATA CENTER RACK**" and was assigned U.S. Serial No. 29 / 529,390.

AND WHEREAS, MacStadium, Inc., a corporation organized and existing under and by virtue of the laws of the State of Georgia, and having a place of business at 1000 Hemphill Avenue, Atlanta, GA 30318, (hereinafter "Assignee") is desirous of acquiring the entire right, title and interest in and to said inventions, improvements and application and in and to the Letters Patent to be obtained therefor, and of proceeding in the prosecution of a patent as Applicant;

NOW THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar and other good and valuable considerations, the receipt and sufficiency whereof is hereby acknowledged, We have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest for all countries in and to all inventions and improvements disclosed in the aforesaid application, and in and to the application, all divisionals, continuations, or renewals thereof, all Letters Patent which may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted therefrom; and we do hereby authorize and request the Commissioner of Patents and Trademarks to recognize the Assignee as Applicant in any patent application(s), and to issue any and all United States Letters Patent for the aforesaid

inventions and improvements to the Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the Assignee, its successors and assigns.

AND, for the consideration aforesaid, we do hereby agree that we and our executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to us/me relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors or assigns the entire right, title and interest in and to the improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND Assignor(s) warrant(s) and represent(s) that the Assignor(s) individually are/is not aware of any information that is material to patentability of the invention, namely, any information that, alone or in combination with other information, establishes on its face the unpatentability of the invention or is inconsistent with arguments of patentability made to the U.S. Patent & Trademark Office. Material information may include devices, products, publications, and so forth, that are similar to the present invention, and/or any public disclosure, commercial use, or offer for sale more than one year prior to the filing date of the present application.

AND, furthermore we covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by us/me and that full right to convey the same as herein expressed is possessed by us/me.

We also authorize counsel for Applicant(s) to enter above the serial number of the application or other related information when it becomes available.
