Assignment of Application No. 13/966,115

Whereas, the undersigned inventors, hereafter referred to as "Inventors" or each individually, as "Inventor", have invented certain new and useful improvements, for which an application for a United States Patent was filed on August 13, 2013, Application Number 13/966,115; and,

Whereas, China National Offshore Oil Corp., here referred to "assignee" whose mailing address is East City District, Chao Yang Gate, 25 North Street, Beijing, CN 100010 is desirous of acquiring the entire right, title and interest in the same;

Now, therefore, for good and valuable consideration, the sufficiency and receipt whereof is acknowledged, We, the Inventors, by these presents do sell, assign and transfer unto said assignee the full and exclusive right to the said invention in the United States and the entire rights, title and interest in and to any and all Patents which may be granted therefore in the United States. We hereby authorize and request the Director of the U.S. Patent and Trademark Office to issue said United States Patent to said assignee, of the entire right, title, and interest in and to the same, for his sole use; and for the use of his legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.

Executed this 13th day of August, 2013.
