## Deed of Assignment

THIS DEED OF ASSIGNMENT, made by (1) Bing Lou WONG residing at 3592 S. Mall Street, Irvine, California 92606, United States, and (2) Sui Yi KWOK residing at Flat 2907, 29/F, Pik Wai House, Shek Pai Wan Estate, Aberdeen, Hong Kong (hereinafter referred to as **Assignors**)

WHEREAS, Assignors have invented certain new and useful improvements in the patent application entitled ORAL DELIVERY FOR HEMOGLOBIN BASED OXYGEN CARRIERS, set forth in a Patent application for Letters Patent of the United States filed on 23 August 2012 under the Patent Application No. 13/592,398;

WHEREAS, Billion King International Ltd., a limited liability company organized under and pursuant to the laws of Hong Kong having its principal place of business at Room 2301, 23/F Fu Fai Commercial Centre, 27 Hillier Street, Sheung Wan, Hong Kong (hereinafter referred to as **Assignee**), is desirous of acquiring the entire right, title and interest in and to said Letters Patent and Patent Applications of the United States, and in and to any Letters Patent of the United States to be obtained therefore and thereon.

NOW, THEREFORE, for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the Letters Patent and the Patent Applications, and any and all Letters Patent in the United States which may be granted therefore and thereon, and reissues, reexaminations and extensions of the Letters Patent, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.

AND for the same consideration, Assignors hereby represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors are the sole and lawful owners of the entire right, title and interest in and to the Letters Patent and Patent Applications of the United States, and that the same are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignors hereby covenant and agree to and with Assignee, its successors, legal representatives and assigns, that Assignors will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and Patent Applications for said inventions, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with the Letters Patent or Patent Applications of the United States, including but not limited to interference proceedings, is lawful and desirable; or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignors hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
