WHEREAS I/we, the undersigned inventor(s) herewith declare that I am the sole inventor/we are the joint inventors and I/we have made certain invention(s), as set forth in a patent application (including industrial designs and utility models), whether claimed or unclaimed, entitled **Absorbent Article Substrate with a Pattern**, Attorney's Docket No. **D2293R** and filed in the United States Patent Office as Number **29/530,044**, on **June 12, 2015**. (I/we grant the hereinafter named assignee and/or any person authorized thereby, the power to insert the Serial Number and filing date of said application in this document when ascertained.)

Sarah Nicole WOLFE of One Procter & Gamble Plaza, Cincinnati, Ohio 45202 US

I/We made said invention(s) set forth in said patent application while employed by, or otherwise under an obligation to assign said invention(s) to The Procter & Gamble Company or one of its Affiliates, and acknowledge my/our obligation at the time the invention(s) was made to assign said invention(s) to The Procter & Gamble Company or the Affiliate, respectively. Pursuant to said obligation (and in the case of employment by or obligation to the Affiliate, at the request of the Affiliate), and/or for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I/we assign to The Procter & Gamble Company, its legal representatives, successors and assigns, all right, title, and interest, in the United States and throughout the world, in, to and under said invention(s) and all patents, patent applications, patent rights, and inventor's certificates thereof, therefore, and therein, including without limitation said application, all divisions and continuations thereof, all patents which may be granted thereon, all reissues and extensions thereof, all patents which may be granted for said invention(s) by states or nations other than the United States, or by other authority, entity, or organization, and all applications therefore (including the right to claim priority of the filing date of said application in the United States and/or under international conventions), as fully and completely as the same would have been held by me/us had this assignment not been made. The entire right, title and interest shall vest irrevocably in The Procter & Gamble Company. I/We further agree upon request, without additional compensation but at no expense to me/us, to execute or assent to any and all applications for said invention(s), and to execute all other legal documents as may be necessary or desirable to vest the enjoyment of the rights assigned to The Procter & Gamble Company, its legal representatives, successors and assigns, or as said Company may direct.

I/We request and authorize the Commissioner of Patents and Trademarks and/or appropriately empowered officials of foreign countries to issue any and all Patent(s) and/or letters patent(s) which may be granted for said invention(s) herein assigned and as set forth in U. S. Application Serial Number **29/530,044** to The Procter & Gamble Company, its legal representatives, successors or assigns, as the sole owner of the entire right, title, and interest in said Patent(s).

This GLOBAL GENERAL ASSIGNMENT is effective as of the earlier of 1) the date of execution shown below, or 2) the filing date of the first-filed of said patent application(s).

GLOBAL GENERAL ASSIGNMENT

Libby Perszyk Kathman, a corporation organized and existing under the laws of the United States, and having at place of business at 19 Garfield Place, Cincinnati, Ohio 45202, has an ownership interest in the United States Patent Application entitled, **Absorbent Article Substrate with a Pattern**, Attorney's Docket Number **D2293R** and filed in the United States Patent and Trademark Office as Serial Number **29/530,044** on **June 12, 2015**. Libby Perszyk Kathman recognizes that the invention disclosed in the design patent application was made on behalf of The Procter & Gamble Company, and Libby Perszyk Kathman acknowledges its obligation at the time said invention was made to assign the same to The Procter & Gamble Company. In recognition of this obligation, Libby Perszyk Kathman hereby assigns, conveys, and transfers unto The Procter & Gamble Company, a corporation organized and existing under the laws of the State of Ohio, United States of America, its entire right, title, and interest in United States patent application number **29/530,044**, together with the invention disclosed therein, and the right to claim the benefit of the filing date of said patent application under international conventions. Furthermore, Libby Perszyk Kathman hereby assigns, conveys, and transfers unto The Procter & Gamble Company its entire right, title and interest in all patents of the United States or of any other country which may be issued on the invention disclosed in the assigned patent application, or any reissues, reexaminations, continuations, continuations-in-part, divisionals, or extensions thereof. Said provisional patent application, invention, right to claim the benefit of the filing date of the patent application, and subsequent issued patents, reissues, reexaminations, continuations, continuations-in-part, divisionals, and extensions to be held and enjoyed by The Procter & Gamble Company, its legal representatives, successors, and assigns, to the end of the term or terms for which the same would have been held and enjoyed by Libby Perszyk Kathman. if this assignment has not been made, together with all claims for profits and damages by reason of infringement, with the right to sue for and collect the same for its own use and advantage. The entire rights, title and interest in said invention and in said application and patents shall vest irrevocably in The Procter & Gamble Company, its legal representatives, successors or assigns. Libby Perszyk Kathman further agrees upon request, without additional compensation but at no expense to Libby Perszyk Kathman to execute or assent to applications, and to execute all other legal documents as may be necessary or desirable to vest the enjoyment of the rights assigned to The Procter & Gamble Company, its legal representatives, successors, and assigns as The Procter & Gamble Company, its legal representatives, successors, or assigns may direct.

Libby Perszyk Kathman further requests the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention herein assigned and as set forth in U.S. Application Serial Number **29/530,044** to The Procter & Gamble Company, its legal representatives, successors, or assigns, as the sole owner of the entire right, title, and interest in said patent and the invention covered thereby.

This assignment is being made effective as of the earlier of 1) date of execution shown below or 2) the filing date of the first-filed of said patent application(s).
