PATENT ASSIGNMENT

Pivotal Health Solutions, Inc. (hereinafter ASSIGNOR), whose address is 724 Oakwood Rd, Watertown, SD 57501, is the owner of certain intellectual property related to a lap desk. Specifically, this intellectual property includes:

United States Patent Application No.: US 7,020,918 B1;
Filed on March 14, 2005;
Issued on April 4, 2006;
Entitled: Cushion Set for Positioning a Human Body

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, ASSIGNOR has sold and assigned, and by these presents hereby sells and assigns unto Mr. Ronald E. Tinsley, (hereinafter ASSIGNEE) all right, title, and interest for the United States, its territories and possessions, and all countries foreign to the United States in and to the above described invention including any and all improvements and to the United States Patent, including all divisions, or continuation thereof and in and to any and all Letters Patent of the United States which may issue on any such application or for the invention, including any and all reissues or extensions thereof, and all priority rights under all available International Agreements, Treaties and Conventions for the protection of Intellectual Property in its various forms in every participating country, and all applications for patents (including related rights such as utility-model registrations, inventor's certificates, and the like) heretofore or hereafter filed for said improvements in any foreign countries, and all patents (including all continuations, divisions, extensions, renewals, substitutes, and reissues thereof) granted for said improvements in any foreign countries; to be held and enjoyed by ASSIGNEE, its successors, legal representatives and assigns to the full end of the term or terms for which any and all such Letters Patent may be granted as fully and entirely as would have been held and enjoyed by the undersigned had this ASSIGNMENT not been made, further this sale and assignment included the right to recover for any third party infringement of the invention and United States patent, regardless of whether such infringement occurred before or occurs after the effective date;

The ASSIGNOR hereby authorizes the ASSIGNEE to insert in this assignment any further identification which may be necessary or desirable to comply with the rules of the United States Patent and Trademark Office for the Recordation of this Assignment.
