SCHEDULE

SCHEDULE 1	MATERIALS	1
------------	-----------------	---

THIS DEED is dated 30 September 2014

PARTIES

- (1) **Aristocrat Technologies Australia Pty Limited.** a company incorporated in New South Wales, Australia whose registered office is Building A, Pinnacle Office Park, 85 Epping Road, North Ryde, New South Wales, Australia (the "**Assignor**");
- (2) **Video B Holdings Limited** incorporated and registered in the British Virgin Islands with company number 609951 whose registered office is at Trident Chambers, Road Town, Tortola, British Virgin Islands (the "**Assignee**").

BACKGROUND

- (A) The Assignor owns the intellectual property rights in the Materials (as defined below).
- (B) By the Framework Agreement (as defined below) the Assignor has agreed to assign to the Assignee with effect from the completion of the Framework Agreement the intellectual property rights in the Materials.

AGREED TERMS

1. INTERPRETATION

The following definitions and rules of interpretation apply in this agreement.

1.1 Definitions:

Assigned Rights: all the Intellectual Property Rights embodied in the Materials;

Business Day: a day other than a Saturday, Sunday or public holiday in England when banks in London are open for business;

Designs: all and any Intellectual Property Rights, including without limitation copyrights and design rights, in the Indago™ VLT terminals;

Framework Agreement: means the sale and purchase agreement of even date between the Assignee, V.B.Video (Cyprus) Limited, Aristocrat Leisure Cyprus Limited, Aristocrat Technologies (Europe) Holdings Limited and the Assignor, in relation to the purchase of the entire share capital of Aristocrat Lotteries AB and Aristocrat Lotteries Italia S.r.L;

Intellectual Property Rights: patents, rights to inventions, copyright and neighbouring and related rights, circuit rights, database rights, design rights, trademarks and service marks (including all goodwill therein), business names and domain names, rights in get-up, goodwill and the right to sue for passing off, rights in designs, database rights, rights to use, and protect the confidentiality of, confidential information (including know-how) and all other intellectual property rights, in each case whether registered or unregistered and including all applications and rights to apply for and be granted, renewals

or extensions of, and rights to claim priority from, such rights and all similar or equivalent rights or forms of protection which subsist or will subsist now or in the future in any part of the world;

Materials: the Developed IP (as defined in the Framework Agreement) including, for the avoidance of doubt, the Patents and the Designs;

Patents: the patents and applications for patents, details of which are set out in the table at Schedule 1 to this agreement including the inventions disclosed in the Patents and any divisional applications made under them; and

VAT: value added tax chargeable under the Value Added Tax Act 1994.

- 1.2 Clause, Schedule and paragraph headings shall not affect the interpretation of this agreement.
- 1.3 The Schedules form part of this agreement and shall have effect as if set out in full in the body of this agreement. Any reference to this agreement includes the Schedules.
- 1.4 References to clauses and schedules are to the clauses and Schedules of this agreement.
- 1.5 Unless the context otherwise requires, words in the singular shall include the plural and in the plural shall include the singular.
- 1.6 A reference to a statute or statutory provision is a reference to it as amended, extended or re-enacted from time to time.
- 1.7 A reference to a statute or statutory provision shall include any subordinate legislation made from time to time under that statute or statutory provision.
- 1.8 A reference to **writing** or **written** includes fax but not e-mail.
- 1.9 Any words following the terms **including**, **include**, **in particular**, **for example** or any similar expression shall be construed as illustrative and shall not limit the sense of the words, description, definition, phrase or term preceding those terms.

2. ASSIGNMENT

In consideration of the payment by the Assignee of the sum of _____ in accordance with clause 4 of the Framework Agreement, the Assignor hereby assigns to the Assignee absolutely with full title guarantee all its right, title and interest in and to the Assigned Rights, including:

- (a) in respect of any and each application in the Patents:

- (i) the right to claim priority from and to prosecute and obtain grant of patent; and
 - (ii) the right to file divisional applications based thereon and to prosecute and obtain grant of patent on each and any such divisional application;
- (b) in respect of each and any invention disclosed in the Patents, the right to file an application, claim priority from such application, and prosecute and obtain grant of patent or similar protection in or in respect of any country or territory in the world;
- (c) the absolute entitlement to any registrations granted pursuant to any of the applications comprised in the Patents and any other of the Assigned Rights;
- (d) all goodwill attaching to any trade marks comprised in the Assigned Rights and in respect of the business relating to the goods or services in respect of which such trademarks are registered or used;
- (e) the right to reproduce, make derivative works of, distribute, perform, display, import, make, have made, modify, use, sell, offer to sell, and exploit the Assigned Rights in any way; and
- (f) the right to bring, make, oppose, defend, appeal proceedings, claims or actions and obtain relief (and to retain any damages recovered) in respect of any infringement, or any other cause of action arising from ownership, of any of the Assigned Rights whether occurring before, on, or after the date of this agreement.

3. VAT

- 3.1 All payments made by the Assignee under this agreement are exclusive of VAT. If any such payment constitutes the whole or any part of the consideration for a taxable or deemed taxable supply by the Assignor, the Assignee shall increase that payment by an amount equal to the VAT which is chargeable in respect of the taxable or deemed taxable supply provided that the Assignor shall have delivered a valid VAT invoice in respect of such VAT to the Assignee.
- 3.2 If the VAT invoice is delivered after the relevant payment has been made, the Assignee shall pay the VAT due within five Business Days of the Assignor delivering a valid VAT invoice.
- 3.3 If the Assignee fails to comply with its obligation under this clause 3, it shall additionally pay all interest and penalties which thereby arise to the Assignor.

4. FURTHER ASSURANCE

At the Assignee's expense, each party shall, and shall use all reasonable endeavours to procure that any necessary third party shall, promptly execute such documents and perform such acts as may reasonably be required for the purpose of giving full effect to this agreement including

- (a) registration of the Assignee as applicant for, or proprietor of, the Materials; and
- (b) assisting the Assignee in obtaining, defending and enforcing the Materials, and assisting with any other proceedings which may be brought by or against the Assignee against or by any third party relating to the rights assigned by this agreement.

5. WAIVER

No failure or delay by a party to exercise any right or remedy provided under this agreement or by law shall constitute a waiver of that or any other right or remedy, nor shall it prevent or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall prevent or restrict the further exercise of that or any other right or remedy.

6. LIABILITY

- 6.1 The Assignor's warranties and other obligations with respect to the Materials and liability under this agreement shall be subject to the limitations and exclusions set out in Schedule 6 of the Framework Agreement.

7. ENTIRE AGREEMENT

- 7.1 This agreement, together with the Framework Agreement constitutes the entire agreement between the parties and supersedes and extinguishes all previous agreements, promises, assurances, warranties, representations and understandings between them, whether written or oral, relating to its subject matter.
- 7.2 Each party agrees that it shall have no remedies in respect of any statement, representation, assurance or warranty (whether made innocently or negligently) that is not set out in this agreement or the Framework Agreement. Each party agrees that it shall have no claim for innocent or negligent misrepresentation or negligent misstatement based on any statement in this agreement.

8. VARIATION

No variation of this agreement shall be effective unless it is in writing and signed by the parties (or their authorised representatives).

9. SEVERANCE

9.1 If any provision or part-provision of this agreement is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to or deletion of a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of this agreement.

9.2 If one party gives notice to the other of the possibility that any provision or part-provision of this agreement is invalid, illegal or unenforceable, the parties shall negotiate in good faith to amend such provision so that, as amended, it is legal, valid and enforceable, and, to the greatest extent possible, achieves the intended commercial result of the original provision.

10. COUNTERPARTS

10.1 This agreement may be executed in any number of counterparts, each of which when executed and delivered shall constitute a duplicate original, but all the counterparts shall together constitute the one agreement.

10.2 Transmission of an the executed signature page of a counterpart of this agreement by (a) fax or (b) e-mail (in PDF, JPEG or other agreed format) shall take effect as delivery of an executed counterpart of this agreement. If either method of delivery is adopted, without prejudice to the validity of the agreement thus made, each party shall provide the others with the original of such counterpart as soon as reasonably possible thereafter.

10.3 No counterpart shall be effective until each party has executed and delivered at least one counterpart.

11. THIRD PARTY RIGHTS

No person other than a party to this agreement, their successors and permitted assignees, shall have any right to enforce any of its terms.

12. NOTICES

12.1 Any notice given to a party under or in connection with this contract shall be in writing and shall be:

- (a) delivered by hand or by pre-paid first-class post or other next working day delivery service at its registered office (if a company) or its principal place of business (in any other case); or
- (b) sent by fax to its main fax number.

12.2 Any notice shall be deemed to have been received:

- (a) if delivered by hand, on signature of a delivery receipt or at the time the notice is left at the proper address;
- (b) if sent by pre-paid first-class post or other next working day delivery service, at 9.00 am on the third Business Day after posting or at the time recorded by the delivery service;
- (c) if sent by fax, at 9.00 am on the next Business Day after transmission.

12.3 This clause does not apply to the service of any proceedings or other documents in any legal action or, where applicable, any arbitration or other method of dispute resolution. For the purposes of this clause, "writing" shall not include e-mail.

13. DISPUTE RESOLUTION, GOVERNING LAW AND JURISDICTION

13.1 This agreement and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law of England and Wales.

13.2 Subject to clause 13.3, the parties irrevocably agree that the courts of England and Wales shall have exclusive jurisdiction to settle any claim that arises out of, or in connection with, this agreement or its subject matter or formation (including non-contractual disputes or claims).

13.3 Without limiting a party's right to seek immediate injunctive or interlocutory relief, the parties agree to co-operate and to meet and conduct in good faith such discussions and negotiations as may be necessary or desirable to resolve any dispute which may arise between them in relation to this agreement. If the dispute is not resolved by agreement within ten (10) days of written notice by one party to the other of the dispute (or such further period agreed in writing between the parties), it shall be exclusively and definitively resolved through final and binding arbitration in accordance with Clause 23.4 of the Framework Agreement.

This document has been executed as a deed and is delivered and takes effect on the date stated at the beginning of it.

SCHEDULE 1 PATENTS

Family	Internal Title	Description	Inventor	Owner	Jurisdiction	Filing number	Grant Number	Status
31121	License Management In a Gaming System	There is disclosed a gaming system comprising, a gaming machine terminal configured to seek to initiate a game session, a license management client configured to control initiation of the game session based on a license control parameter, and a license management server in data communication with the license management client and configured to generate the license control parameter and serve the license control parameter to the license management client.	Andersson; Hutchison-Kay; Nilsson	ATA	USA	11757944		Pending
31123	Push	Updating information in a client-server based gaming system comprising a client gaming machine, a game application server and a central database, by: storing in said central database login information for gaming system units that are logged in to the gaming system; storing updated information in the central database; storing an information update control command comprising an indication of the updated information and an indication of a receiver gaming system unit in the central database; generating an update command message	Abrink; Andersson; Nilsson		USA USA	14160644	US8647207	Pending Granted

1263	Centralized continuous meter management integrated with legacy system	arranged to facilitate communications between respective gaming machines, the communications network having an associated bandwidth for communications to and from the communications network. Each gaming machine is arranged to send status data indicative of whether the gaming machine is performing an activity requiring bandwidth usage to the other gaming machines, and each gaming machine is arranged to determine the amount of bandwidth available to the gaming machine for non-game implementation related activity using the status data received from the other gaming machines. A corresponding method is also disclosed.	Anders son; Meurlin; Nilsson	ATA	Australia	2013270601		Pending
