## **ASSIGNMENT OF US AND PCT PATENT APPLICATIONS**

The undersigned (hereinafter collectively referred to as the Assignor), in consideration of the sum of one US dollar (\$ 1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, hereby sell, assign, and transfer to:

**tune U. Fahl e.K.**

(hereinafter referred to as the Assignee), of

**Im Mittelfeld 18  
79426 Buggingen  
GERMANY**

my entire right, title and interest in United States Patent Application Serial No. 14/732,480, filed 5 June 2015, and entitled:

### **UNIDIRECTIONAL TORQUE COUPLING AND METHOD OF USE**

and in any and all patent application(s) claiming benefit of priority thereto, including any international patent application filed under the Patent Cooperation Treaty (PCT), any regional patent application, and any national patent application (as well as any continuation, divisional, continuation-in-part or substitute patent application), filed in any country in the world; the right, title and interest to be held and enjoyed by the Assignee for his own use, and for his own legal representatives and assigns, for the full terms for which any and all US patents and reissues are granted and for the full terms for which any and all foreign patents are granted from foreign applications claiming benefit of priority to said United States Patent Application.

The Assignor hereby agrees to execute all papers necessary in connection with the filing and prosecution of any patent application (including any international patent application, national or regional patent application, continuation, divisional or continuation-in-part patent application) claiming priority to said United States Patent Application including but not limited to any declaration of inventorship, and also agrees to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The Assignor hereby represents to have full right to convey the interest herein assigned, and has not executed, and will not execute, any agreement in conflict therewith.

The Assignor hereby grants the Practitioners associated with United States Patent and Trademark Office (USPTO) Customer Number 59538 power to insert in this assignment and any further identification that may be necessary or desirable in order to comply with the rules of the USPTO for recordation of this document.
