IN THE UNITED STATES
PATENT AND TRADEMARK OFFICE
Assignment and Agreement

For value received, I, **Assim Boukhayma**, of Grenoble, FR, **Arnaud Peizerat** of Grenoble, France, hereby sell, assign and transfer to **Commissariat a l'energie atomique et aux energies alternatives**, having an office at Batiment Le Ponant D-25 Rue Leblanc, Paris, 75015, FR, and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to all the inventions disclosed and claimed in United States Patent Application Serial No. 14/731072, entitled CMOS IMAGE SENSOR, filed on June 4, 2015, which claims priority to French Patent Application Serial No. 14/56596, filed July 9, 2014, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions. I also concurrently hereby sell, assign and transfer to Commissariat a l'energie atomique et aux energies alternatives the entire right, title and interest in and to any and all divisional, continuation, continuation-in-part, substitute, reissue, and/or reexamination application claiming benefit of the patent application.

I also concurrently hereby sell, assign and transfer to Commissariat a l'energie atomique et aux energies alternatives the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I authorize Commissariat a l'energie atomique et aux energies alternatives to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Commissariat a l'energie atomique et aux energies alternatives to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I hereby acknowledge that in the event of a conflict of interest between Commissariat a l'energie atomique et aux energies alternatives and me, the firm of Kaplan Breyer Schwarz & Ottesen, LLP is the attorney for Commissariat a l'energie atomique et aux energies alternatives and is not my attorney.

I request that any and all patents for said inventions be issued to Commissariat a l'energie atomique et aux energies alternatives in the United States and in all countries foreign to the United States, or to such nominees as Commissariat a l'energie atomique et aux energies alternatives may designate.

I agree that, when requested, I shall, without charge to Commissariat a l'energie atomique et aux energies alternatives but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
