ASSIGNMENT

PATENT

WHEREAS, MadMak, LLC, a limited liability corporation organized and existing under and by virtue of the laws of the State of Delaware, having its principal place of business and mailing address at 5312 East Carol Ave, Mesa, Arizona, 85206 (hereinafter "ASSIGNOR") is the OWNER of United States Patent Application Serial No. US 6679437 entitled Pressurized Sprayer, filed on August 17, 2001;

AND WHEREAS, Less Lethal Concepts, LLC (hereinafter "ASSIGNEE"), a corporation organized and existing under and by virtue of the laws of the State of Arizona, having its principal place of business and mailing address at 550 W. Baseline Road, Suite 102-128, Mesa, AZ 85210, is desirous of acquiring ASSIGNOR's entire portion of the rights therein;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, ASSIGNOR, its legal representatives, administrators, and assigns, by these presents does sell, assign and transfer unto ASSIGNEE, its successors, assigns and legal representatives, the full and exclusive rights to the aforesaid application, to the inventions as described in the application including all patents, copyrights and other intellectual property rights, and including the rights to sue for all past and future causes of action related to said inventions, and to all formal applications which aforesaid application claims priority to, and all formal applications which may be filed based in whole or in part on the aforesaid application, in the United States and all foreign countries, together with the right of priority under the International Convention for the Protection of Industrial Property, Inter-American Convention Relating to Patents, Designs and Industrial Models, and any other international agreements to which the United States adheres, and hereby authorizes and requests the Commissioner of Patents to issue said Letters Patent to ASSIGNEE, for the sole use and benefit of ASSIGNEE, its successors, assigns and legal representatives,

AND HEREBY AGREES to transfer, upon request of ASSIGNEE, its successors, assigns and legal representatives, and without further remuneration, a like interest in and to any improvements and formal applications based thereon, growing out of or relating to the inventions; and, without further remuneration, to provide all reasonable assistance and execute any papers requested by ASSIGNEE, its successors, assigns and legal representatives, to preserve and/or acquire ASSIGNEE's full protection and title in and to the inventions hereby transferred and any improvements therein.

AGREEING, FURTHERMORE, upon request of ASSIGNEE, and without further remuneration, to execute any and all papers desired by ASSIGNEE for the filing and granting of formal applications based on the inventions or improvements therein, and the perfecting of title thereto in ASSIGNEE.

In the event that the Application Number and/or filing date is not available when this Assignment is executed, I hereby authorize and request any attorney associated with **Jensen Law Office, PLLC**, to insert in this assignment the filing date and/or the application number of said application and/or any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
