**ASSIGNMENT OF APPLICATION FOR UNITED STATES LETTERS PATENT
AND OF INTERNATIONAL APPLICATION**

WHEREAS Brian Douglas Ritchie, 254 Barrhill Road, L6A1L2, Maple, Ontario; Jared Brian Ritchie, 254 Barrhill Road, L6A1L2, Maple, Ontario; William Lark Ritchie, 28 Edna Avenue, L0R1P0, Hanon, Ontario, all of CANADA, hereinafter collectively referred to as the Assignor, have invented a certain improvement relating to a SYSTEM AND METHOD FOR NATURAL LANGUAGE PROCESSING, which said Assignor has caused an application for United States Letters Patent to be prepared,

the inventor's declaration for said application being executed concurrently with the execution of this instrument; said application to be filed in the United States Patent and Trademark Office.

said application having been filed in the United States Patent and Trademark Office on March 15, 2013, as Application No. 13/833,584; and

said application also having been filed under the Patent Cooperation Treaty on February 24, 2014, Application No. PCT/CA2014/050125, the United States of America being designated.

AND WHEREAS Kamazooie Development Corporation, 254 Barrhill Rd, L6A1L2, Maple, Ontario, of CANADA, hereinafter referred to as the Assignee, is desirous of acquiring the entire right, title, and interest in and to said application, including any and all divisions and continuations thereof, and in and to said invention and any and all patents which may be granted therefore, including any and all renewals, reissues, and prolongations thereof;

NOW THIS WITNESSETH, that for and in consideration of Two Dollars (\$2.00), and other good and valuable consideration paid by said Assignee to said Assignor, the receipt of which is hereby acknowledged, said Assignor hereby assigns, sells, and transfers to said Assignee, and said Assignee's successors and assigns, the entire and exclusive right, title, and interest in and to said application, including any and all divisions and continuations thereof, and in and to said invention and any and all patents which may be granted therefor, including any and all renewals, reissues, and prolongations thereof; said Assignee, and said Assignee's successors and assigns, to have, hold, exercise, and enjoy the said application, including any all divisions and continuations thereof, and the said invention and any all patents which may be granted therefor, including any and all renewals, reissues, and prolongations thereof, with all the rights, powers, privileges, and advantages in any way arising from or appertaining thereto, for and during the term or terms of any and all such patents when granted, including any and all renewals, reissues, and prolongations thereof, for the use and benefit of said Assignee, and said Assignee's successors and assigns, in as ample and beneficial a manner as the said Assignor might or could have held and enjoyed the same if this Assignment had not been made.

AND said Assignor hereby agrees to perform, upon the request of said Assignee

or said Assignee's successors or assigns, any and all acts relating to the obtaining or to the asserting of said patents, including any and all renewals, reissues, and prolongations thereof.

AND said Assignor authorizes and requests the Commissioner of Patents and Trademarks to issue the Letters Patent on said application, and on any and all divisions and continuations thereof, to said Assignee, and said Assignee's successors and assigns, in accordance herewith.

AND said Assignor hereby grants to FLECK & CHUMAK LLP and its members the power to insert on this Assignment any further indication which may be necessary to comply with the requirements of the Intellectual Property Office in any country for its recordal in respect of the application.

AND this Assignment may be executed in separate counterparts, all of which shall be considered one and the same instrument.

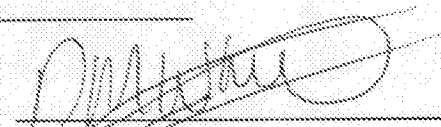

IN WITNESS WHEREOF, each individual collectively referred to as Assignor has caused this Assignment to be executed.
