THIS ASSIGNMENT, by Hans K. KESTLER, Vivek SHAH and Dean James RAGER-AGUIAR (hereinafter referred to as the assignors), residing at 300 Fountainbrooke, Brentwood, Tennessee 37027; 300 North Royal Oaks Boulevard, Apartment #1506, Franklin, Tennessee 37067; and 3004 Grouse Circle, Spring Hill, Tennessee 37174 respectively, witnesseth:

WHEREAS, said assignors have invented certain new and useful improvements in **PLATELET-DERIVED GROWTH FACTOR COMPOSITIONS AND METHODS FOR THE TREATMENT OF TENDINOPATHIES**, set forth in an application for Letters Patent of the United States, bearing Serial No. 13/032,489 and filed on February 22, 2011, and an International Patent Application (hereinafter referred to as the "PCT application") bearing International Patent Application No. PCT/US2011/025770 and having an international filing date of February 22, 2011; and

WHEREAS, BioMimetic Therapeutics, Inc., a corporation duly organized under and pursuant to the laws of Delaware and having its principal place of business at 389 Nichol Mill Lane, Franklin, Tennessee 37067 (hereinafter referred to as the assignee) is desirous of acquiring assignors' entire right, title and interest in and to said inventions and said application for Letters Patent of the United States and said PCT application, and in and to any Letters Patent or Patents, United States or foreign counterparts, to be obtained therefor and thereon;

NOW, THEREFORE, in consideration of good and sufficient consideration, the receipt of which is hereby acknowledged, said assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto said assignee, its successors, legal representatives and assigns, their entire right, title and interest in and to the above-mentioned inventions, applications for Letters Patent, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon including all national phase patents and patent applications derived from said PCT application and claiming benefit thereof, and in and to any and all divisions, continuations and continuations-in-part of said applications, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by said assignee, for its own use and the use of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the assignors, had this sale and assignment not been made.

AND for the same consideration, said assignors hereby covenant and agree to and with said assignee its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, said assignors are the sole and lawful owners of their entire right, title and interest in and to said inventions and the applications for Letters Patent above-mentioned, and that the same are unencumbered and that said assignors have good and full right and lawful authority to sell and convey their entire right, title and interest in and to said inventions and the applications for Letters Patent above-mentioned in the manner herein set forth.

AND for the same consideration, said assignors hereby covenant and agree to and with said assignee, its successors, legal representatives and assigns, that said assignors will, whenever counsel of said assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said applications for Letters Patent, or any proceeding in connection with Letters Patent for said inventions in any country, including interference proceedings, is lawful and desirable, or that any division, continuation or continuation-in-part of any applications for Letters Patent or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said inventions, without charge to said assignee, its successors, legal representatives and assigns, but at the cost and expense of said assignee, its successors, legal representatives and assigns.

AND said assignors hereby request the Commissioner of Patents and all relevant National Patent Offices to issue said Letters Patent of the United States and national phase Letters Patent granted for National Phase Patent Applications derived from said PCT Application to said assignee as the assignee of said inventions and the Letters Patent to be issued thereon for the sole use of said assignee, its successors, legal representatives and assigns.
