**JOINT DECLARATION FOR PATENT APPLICATION**

As below-named inventor(s) Andrew Dittrich, Steve Harlow, Kris Kline, Jeremiah Jessee-Lantz, Christopher Cline, Brad Jennings and William Mark Kinsella, we hereby declare that:

Our residence, post office address and citizenship are as stated below next to our respective names.

We believe we are the original, first and joint inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled **ACCESSING MULTIPLE CLIENT DOMAINS USING A SINGLE APPLICATION**, the specification of which is attached hereto and filed concurrently herewith.

We hereby state that we have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

We acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

We hereby appoint the attorneys associated with Customer No. 46169 to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith and to file and prosecute any corresponding foreign applications, including any international applications under the Patent Cooperation Treaty or the European Patent Convention.

Please address all correspondence to Customer No. 46169.

The undersigned hereby further authorize said practitioners associated with Customer No. 46169 to accept and follow instructions from the assignee of entire interest (Cerner Innovation, Inc. a corporation duly organized and existing under the laws of the State of Delaware, United States of America, its successors and assigns) as to any action to be taken in the United States Patent and Trademark Office regarding this application without direct communication between the practitioners and the undersigned. In the event of a change in the persons from whom instructions may be taken, the practitioners named herein will be so notified by the undersigned.

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Inventor's signature:  11/8/11  
 Andrew Dittrich Date
