SOLE/JOINT INVENTION  
(U.S. Rights Only)

## ASSIGNMENT

WHEREAS, AstraZeneca UK Limited, a corporation of United Kingdom, whose principle place of business is 2 Kingdom Street, London W2 6BD, United Kingdom (hereinafter referred to as Assignor), owns an invention entitled:

### INHALATION DEVICE

for which an application for United States Letters Patent was filed on January 6, 2003 (Application No. 10/336,757), and for which a United States Letters Patent was issued on October 19, 2004 (Patent No. 6,805,116); and

WHEREAS, AstraZeneca AB, a corporation of Sweden, whose principle place of business is SE-151 85 Södertälje, Sweden (hereinafter referred to as Assignee), is desirous of securing the legal right, title, and interest in and to this invention in the United States, the above-referenced application for United States Letters Patent on this invention, and the Letters Patent issued upon the above-referenced application;

NOW THEREFORE, be it known that for good and valuable consideration, the receipt of which from Assignee is hereby acknowledged, We, as Assignor, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, our legal right, title, and interest in and to this invention, the above-referenced application that discloses and claims this invention, and all divisions and continuations thereof, and all Letters Patent of the United States which have been or may be granted thereon, and all reissues thereof, and all extensions, renewals, and reissues thereof, and all rights to claim priority on the basis of this application; and We hereby authorize and request the Commissioner of Patents and Trademarks of the United States to issue all United States Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, WE HEREBY covenant that We have the full right to convey the interest assigned by this Assignment, and We have not executed and will not execute any agreement in conflict with this Assignment;

AND, WE HEREBY further covenant and agree that We will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to us respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

IN TESTIMONY WHEREOF, We have hereunto set our hands.
