ASSIGNMENT AND AGREEMENT

For value received, we, Joseph Newhall West, of Petaluma, in the County of Sonoma and State of California, Jon Robert Kiser, of San Francisco, in the County of San Francisco and State of California, and Jerry Samuel Dimsdale, of Oakland, in the County of Alameda and State of California, hereby sell, assign and transfer to Voxis, Inc., a limited liability company of the State of Delaware, having an office at 37 West Century Road, Paramus, NJ 07652, U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **Transmission Lines Applied to Contact Free Slip Rings** described in an application for Letters Patent of the United States, with Serial No 12/212,284, filed September 17, 2008, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to Voxis, Inc. the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize Voxis, Inc. to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Voxis, Inc. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Voxis, Inc. in the United States and in all countries foreign to the United States, or to such nominees as Voxis, Inc. may designate.
