CONFIRMATORY ASSIGNMENT

Parties:

- (1) **The Assignor:** LLOYD, Adam
of
C/O Mondelez UK R&D Limited, PO Box 12, Bournville Lane, Bournville,
Birmingham, West Midlands, B30 2LU, United Kingdom
- (2) **The Assignee:** Mondelēz Europe GmbH
of
Lindbergh-Allee 1, 8152 Glattpark, Zurich, Switzerland

Recitals:

- (A) The Assignor is (or was) employed by the Assignee in a technical or research capacity to the intent and effect that rights to inventions the Assignor makes (or made) arising from the Assignor's work as the employee of the Assignee are owned by the Assignee. By operation of law the Assignee is, was, and shall be the properly entitled applicant for patent protection for such inventions, and owner of such inventions in general.
- (B) By way of confirmation and to ensure that all related or associated or derived rights are held by the Assignee, the Assignor wishes to convey and / or confirm the conveyance of such rights to the Assignee.
- (C) Accordingly it is agreed as between the Assignor and the Assignee that all rights in United Kingdom patent application GB1304169.4, and International patent application PCT/GB2014/050667 (hereinafter referred to as 'the Patent Applications'), including the right to claim priority from the Patent Applications, and/or the right to file one or more further patent applications that derive from the Patent Applications, and in all related or associated or derived rights including but not limited to know-how and design rights will be and/or have been conveyed from the Assignor to the Assignee, for the consideration and under the terms and conditions below.

Operative provisions:

1. *Assignment*

- 1.1 In consideration of the sum of £1 (one pound) now paid by the Assignee to the Assignor (the receipt whereof the Assignor hereby acknowledges) the Assignor with full title guarantee **HEREBY ASSIGNS** to the Assignee all rights in the Patent Applications, including the right to claim priority from the Patent Applications, and/or the right to file one or more further patent applications that derive from the Patent Applications, and all related or associated or derived rights including but not limited to know-how and design rights, and including the right title and interest in any of the foregoing rights and all the rights, privileges and immunities conferred on the applicant (including the right to claim priority) free from all encumbrances and including the right to sue for damages and other remedies in respect of any infringement that may have occurred prior to the date of this assignment, to hold unto the Assignee absolutely.

1.2 The Assignor hereby covenants with the Assignee to execute at any time hereafter at the direction of the Assignee any document or do any act or thing which the Assignee may consider reasonably necessary or desirable to give effect to this assignment and to register the Assignee or any successor in title thereof as applicant for or proprietor of the Patent Applications and of all related or associated or derived rights. Any reasonable expense incurred by the Assignor in the execution of this provision shall be reimbursed by the Assignee.
