ASSIGNMENT

THIS ASSIGNMENT, made this 24 day of July, 2015 by Eli Alelov and Howard Panes (hereinafter referred to as Assignors);

WHEREAS, Assignor Eli Alelov has invented certain new and useful improvements set forth in the inventions, Letters Patents and applications for Letters Patent listed in attached Schedule A;

WHEREAS, Assignor Howard Panes may hold a stake in ownership of right, title and interest in and to the inventions, Letters Patents and applications for Letters Patent listed in attached Schedule A and to any Letters Patents to be obtained therefore and thereon; and

WHEREAS, Logic Technology Development, LLC, a corporation organized under and pursuant to the laws of the state of Florida having its principal place of business at 2004 NW 25th Ave., Pompano Beach, Florida 33069 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said inventions, Letters Patents, and said Applications for Letters Patent, and in and to any Letters Patents to be obtained therefore and thereon.

NOW, THEREFORE, for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, any and all right, title and interest Assignors have to the above-mentioned inventions, Letters Patents, and applications for Letters Patent, and in and to any and all utility applications, direct and indirect divisions, continuations and continuations-in-part of said applications, and any and all Letters Patents in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Letters Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignors hereby represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors are the sole and lawful owner of any and all right, title and interest in and to the said inventions, Letters Patents and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignors hereby covenant and agree to and with Assignee, its successors, legal representatives and assigns, that Assignors will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said Patent application for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignors hereby request the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignors hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

FOLEY & LARDNER LLP

All practitioners at Customer Number 23524

AND Assignors acknowledge an obligation of assignment of this invention to Assignee at the time the invention was made.

IN WITNESS WHEREOF, the Parties have duly executed this Agreement as of the date first above written.
