QUITCLAIM ASSIGNMENT OF PATENT RIGHTS

In consideration of the sum of One Dollar (\$1.00), or the equivalent thereof, the sufficiency of which and receipt of which is hereby acknowledged, on this 28<sup>th</sup> day of August 2009, Neelesh B. Mehta, having an address of KRVH-016, Krishnaraja Apts, Indian Institute of Science (IISc), Bangalore 560 012

hereby sell, assign, and transfer to Indian Institute of Science (IISc), Bangalore 560 012, ("Assignee"), the full extent of their right, title, and interest in and without limitation to any and all of the following (collectively, the "Rights"):

1. Indian National Patent Application No. 340/CHE/2009, filed on February 17, 2009, entitled ("System For Determining Transmit Power Level")
2. All inventions claimed or described in the Application (collectively, "the Inventions");
3. All rights with respect to the Inventions, including all U.S. patents or other governmental grants or issuances that may be granted with respect to the Inventions or from any direct or indirect divisionals, continuations, continuations-in-part, or other patent applications claiming priority rights from the Application ("Potential Patents") including, without limitation,  
U.S. Patent Application No. filed on       , entitled "Transmit Power Scaling Method and System to Detect Occurrences Using Geographically Distributed Sensors" ("the US Application");
4. All reissues, reexaminations, extensions, or registrations of the Potential Patents;
5. All non-United States patents, patent applications, and counterparts relating to any or all of the Inventions, the Application, or Potential Patents, including, without limitation, certificates of invention, utility models, industrial design protection, design patent protection, and other governmental grants or issuances ("Foreign Rights"), and including the right to file foreign applications directly in the name of Assignee, its successors and assigns;
6. The right to claim priority rights deriving from the Application;
7. All causes of action and remedies related to any or all of the Application, the Inventions, and Potential Patents, or Foreign Rights (including, without limitation, the right to sue for past, present, or future infringement, misappropriation or violation of rights related to any of the foregoing and the right to collect royalties and other payments under or on account of any of the foregoing), and
8. Any and all other rights and interests arising out of, in connection with, or in relation to the Application, the Inventions, Potential Patents, or Foreign Rights.

Assignors will not sign any writing or do any act conflicting with this Assignment, and, without further compensation, will sign all documents and do such additional acts as Assignee, its successors, legal representatives, and assigns deem necessary or desirable to perfect enjoyment of the Rights, conduct

proceedings regarding the Rights (including any litigation or interference proceedings), or perfect or defend title to the Rights. Assignors request the respective patent office or governmental agency in each jurisdiction to issue any and all patents, certificates of invention, utility models, or other governmental grants or issuances that may be granted upon any of the Rights in the name of the Assignee, as the assignee to the entire interest therein.

Assignors hereby authorize and request legal representative McDonnell Boehnen Hulbert & Berghoff LLP, 300 South Wacker Drive, Suite 3200, Chicago, Illinois 60606, to insert on this Assignment the filing date and Application Number of the US Application when known.

The terms and conditions of this Assignment will inure to the benefit of Assignee, its successors, legal representatives, and assigns and will be binding upon Assignors, their successors, legal representatives and assigns.
