ASSIGNMENT

We, the undersigned CRAIG STANLEY HELMHOLZ, and MARTIN JOSEPH CASTRO, hereby declare that

we are the true and first inventors of an invention relating to a PLACARD HOLDER which is disclosed in an application for Letters Patent in the United States of America, contemporaneously herewith; and, for valuable consideration, the receipt and adequacy of which is hereby acknowledged and in fulfillment of our pre-existing obligation of assignment, we hereby sell, assign and transfer unto

PURR-FECTION BY MJC, INC. a corporation organized and existing under the laws of the State of **OREGON**, in the United States of America and having its principal place of business at **18810 SW TETON AVENUE, TUALATIN, OR, 97062**

hereinafter referred to as the assignee, the entire right, title, and interest in and to the aforesaid application for letters Patent, and any divisions, continuations, continuations-in-part, reissues, renewals, extensions and other derivative applications thereof, including any priority rights derived from the aforesaid application for Letters Patent by virtue of the International Convention for the Protection of Industrial Property for any and all member countries of the aforesaid International Convention, and the entire right, title and interest in and to any and all of our inventions, whether joint or sole, disclosed in the aforesaid application for Letters Patent, and in and to any and all applications for Letters Patent for any such inventions in any country whatsoever, and in and to any and all patents and all extensions, renewals and reissues thereof or legal equivalent thereof, for any such inventions in any country whatsoever, with the sole right to file such applications in its name or ours, including the sole right to file such applications under the aforesaid International Convention, together with the sole right to have said patents granted in its name or ours and to enforce said patents and to sue for and recover profits and damages for any and all infringements thereof, and hereby agree, whenever requested, to communicate to said assignee, its successors, assigns, and legal representatives, any facts known to us respecting said invention, to testify in any legal proceeding, to execute all applications, papers or instruments necessary or required by said assignee, its successors, assigns and legal representatives to carry into effect any of the provisions of this instrument, and generally to do everything possible to aid said assignee, its successors, assigns, and legal representatives to obtain and enforce proper patent protection for said inventions in any and all countries.

We further authorize our attorney to insert below † the serial number and filing date of the aforesaid United States application now identified as Attorney Docket No. **47500** after the same shall have been made known to him by the United States Patent and Trademark Office.
