ASSIGNMENT

NV Bekaert SA, having a principal place of business at Bekaertstraat 2, Zwevegem, 8550 Belgium ("Assignor") for good and valuable consideration, receipt of which is hereby acknowledged, have assigned and do hereby assign and sell to Groz-Beckert KG, a German corporation, having its principal place of business at Parkweg 2, 72458 Albstadt, Germany ("Assignee"), its successors, assigns, and legal representatives, the entire right, title, and interest to the extent own by Assignor, in and to all subject matter and improvements invented, made, or conceived and described in the following patents:

8,745,826 issued June 10, 2014

8,789,244 issued July 29, 2014

and in and to all patent and all patent convention and treaty rights of all kinds, including the right to claim priority from said application, and all rights in and to any utility model, continuation, continuation-in-part, and divisional application therefrom, and any reissue or re-examination as to any patent issuing therefrom, in all countries throughout the world, for all such subject matter described therein, including all rights of action and rights to recover damages for past infringements (collectively "Patent Assets").

Assignor agrees that on request and without further consideration, Assignor will communicate to the Assignee or its representatives or nominees any facts known to us respecting the inventions and improvements and testify in any legal proceeding, make all rightful oaths, sign all lawful papers, and execute all instruments or documents required or requested for the making and prosecution of any applications of any type for patent, utility model, or other similar rights in all countries including, but not limited to, any provisional, non-provisional, continuation, continuation-in-part, divisional, renewal or substitute thereof, for any derivation proceedings relating thereto, and, as to any patents that issue from such applications, for any supplemental

examination, derivation proceeding, opposition, post grant review, reissue, re-examination, *inter partes* review, or extension thereof, and generally do everything possible to aid the Assignee, its successors, assigns, and nominees to obtain and enforce proper patent protection for the invention and its improvements in all countries.

I represent and warrant that NV Bekaert SA has full legal authority to assign its respective rights in and to the Patent Assets as described in this Assignment. I further represent and warrant that I have authority to act on behalf of NV Bekaert SA in executing this Assignment.
