ASSIGNMENT

WHEREAS, the undersigned, to wit: MEDICAL TECHNOLOGY, INC., a corporation duly organized and existing under the laws of the state of Texas and having its principal office and place of business at 2601 Pinewood Drive, Grand Prairie, Texas 75051 (hereinafter "ASSIGNOR"), is the lawful owner of the patents and patent applications set forth on Schedule A attached hereto.

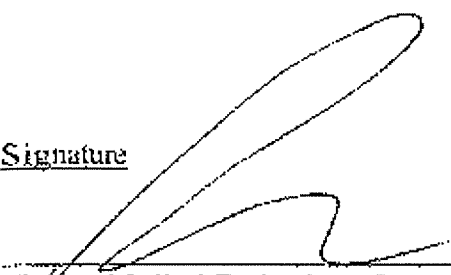

AND WHEREAS, BREG, INC. (hereinafter "ASSIGNEE"), a corporation duly organized and existing under the laws of California and having its principal office and place of business at 2885 Loker Avenue East, Carlsbad, California 92010 desires to acquire the entire right, title, and interest therein;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, said ASSIGNOR does hereby sell, assign, and transfer, and hereby set over unto ASSIGNEE, its successors, assigns and legal representatives, the full and exclusive right, title and interest to said patents, patent applications, and the inventions thereof in the United States of America and all foreign countries, including, without limitation, said inventions as described in the aforesaid patents and applications, to be held and enjoyed by said ASSIGNEE, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by said ASSIGNOR had this assignment and sale not been made, including, without limitation, all rights to the aforesaid patents and applications and to any United States Letters Patents therefor, when issued together with all improvements thereon and betterments thereof, all related applications including, but not limited to, divisions, continuations, continuations-in-part, reissues and reexaminations thereof and substitutions of or for said patents and applications, and all foreign rights including the right to make application for Letters Patents for said inventions in any and all foreign countries and the right to claim priority as to the filing date under the International Convention on the basis for the aforesaid application for United States Letters Patent; and ASSIGNOR hereby authorizes and requests the Commissioner of Patents to issue all Letters Patents issuing therefrom to ASSIGNEE, for its interest as ASSIGNEE, its successors, assigns and legal representatives.

ASSIGNOR hereby agrees to execute any papers, provide any information and testify in any interference or litigation at the request of ASSIGNEE, its successors, assigns and legal representatives, when deemed essential to ASSIGNEE's, its successors', assigns' and legal representatives' full enjoyment, protection, enforcement and title in and to such patents, applications and inventions and rights hereby transferred.

ASSIGNOR furthermore agrees upon request of said ASSIGNEE, its successors, assigns and legal representatives, and without further remuneration, to execute any and all papers desired by said ASSIGNEE, its successors, assigns and legal representatives, for the filing and granting of foreign applications and the perfecting of title thereto in said ASSIGNEE, its successors, assigns and legal representatives.
