ASSIGNMENT	TRANSFERENCIA
For good and valuable consideration, the receipt and sufficiency whereof are hereby acknowledged, the undersigned assignor(s) hereby assign to The Bradbury Company, Inc., a Kansas Corporation, 1200 E. Cole, Moundridge, Kansas 67107 (hereinafter "Assignee"), its successors and assigns, the entire right, title and interest in the inventions or improvements of the undersigned disclosed in the above-identified patent applications for Letters Patent of Argentina and of the United States (which may be a Patent Cooperation Treaty international application designating the United States) and in said applications and any and all other applications, Argentine, United States, international and/or other foreign, which the undersigned assignor(s) or the Assignee may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of Argentina, the United States and/or other foreign countries, which may be obtained on any of said applications, and in any reissue or extension thereof. This assignment includes all rights associated with said applications including, without limitation, all patent right(s) in any and all countries and all right(s) to claim priority to and/or from said applications in any and all countries. No rights whatsoever are reserved to the undersigned assignor(s) but instead all rights are hereby transferred to the Assignee. This assignment is governed by the Law of the State of Illinois, United States of America. The undersigned assignor(s) hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States Patent and Trademark Office to issue said Letters Patent to the Assignee. The undersigned assignor(s) hereby authorizes and requests the attorneys of record in said application to insert in this assignment the execution date and/or filing date and serial number of any such application(s) when officially known. The undersigned assignor(s) warrants himself/herself to be the owner of the interest herein assigned and to have the right to make this assignment and further warrants that there are no outstanding prior assignments, licenses, or other rights in the interest herein assigned.	El/los abajo firmantes (de ahora en adelante "cedentes") por la presente ceden a la compañía Bradbury Company, Inc, una compañía con domicilio en 1200 E. Cole, Moundridge, Kansas 67107, Estados Unidos de América, (de ahora en adelante "cesionario"), sus sucesores y herederos ceden, venden y transfieren en toda su propiedad y dominio la titularidad de todos los derechos incluyendo títulos, mejoras e intereses derivados de las invenciones de patentes previamente identificadas, así como de cualquier otra solicitud de patente que el cesionario solicite como único inventor o en conjunto con otros inventores en cualquier país incluyendo aplicaciones del sistema internacional de patentes (PCT) que deriven de las solicitudes de patentes, o reivindiquen prioridad a las solicitudes de patentes previamente identificadas, sin que haya lugar a reclamación ulterior alguna por parte de los cedentes por concepto alguno por cuanto la anterior enumeración es taxativa y no enumerativa. Los cedentes autorizan y/o solicitan a la Oficina Estado Unidense de Patentes que otorgue el derecho de patente a nombre del cesionario. Los cedentes autorizan a los apoderados para que inserten en el documento de cesión de derechos la fecha y el número de las solicitudes de patentes una vez que estas sean conocidas. Los cedentes ceden, y juran que no existe ningún tipo de cesión previa o licenciatura de los derechos e intereses objetos del presente documento. Los cedentes acuerdan, a solicitud del cesionario y por cuenta de el, y de sus sucesores, a firmar cualquier tipo de solicitud de patente ya sea internacional o nacional, ya sean continuaciones, o reivindiquen prioridad a las solicitudes de patentes previamente identificadas y a cualquier documento de cesión o declaración que sea necesario durante la vigencia y vida de las solicitudes de patentes y de sus extensiones que el cesionario les solicite. Los cedentes acuerdan a colaborar en favor del cesionario, y sus sucesores en los procedimientos judiciales de Interference y/o Derivation, en la preparación de argumentos, peticiones y/o recolección de pruebas, los cedentes acuerdan a realizar, a solicitud y a favor del cesionario cualquier acto afirmativo de los derechos
