have made a new and useful invention entitled MEDICAMENT BLISTER ,  
hereinafter referred to as the "invention", for which International Application  
PCT/EP06/064581 was filed on July 24, 2006;

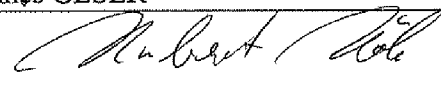

Whereas, Boehringer Ingelheim International GmbH , a corporation of the Federal  
Republic of Germany, having a place of business at Binger Strasse 173, 55216  
Ingelheim, Federal Republic of Germany, hereinafter referred to as the "Assignee", is  
desirous of acquiring the entire right, title and interest in and to any United States

patent applications that are derived from the said International Application; specifically, Assignee is desirous of acquiring the entire right, title and interest in United States Serial No. 11/996,822, filed January 25, 2008;

Now, therefore, in consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, I/we do hereby sell, assign and transfer to the Assignee the full and exclusive right to the said invention in the United States and the entire right, title and interest in and to all Patents which may be granted therefor in the United States, and I/we do hereby authorize the United States Patent and Trademark Office to issue said United States Patents to said Assignee, so that it shall have the entire right, title and interest in and to the same, for its sole use and benefit, and for the use and benefit of its successors, assigns and legal representatives, to the full end of the terms for which said Patents may be granted, as fully and entirely as the same would have been held by me/us had this assignment not been made; and

I/we agree that I/we will in good faith do all things necessary to carry out the intent and purpose of this assignment, and that I/we will, at the request of the Assignee, its successors, assigns or legal representatives, and without charge, execute all rightful oaths, declaration, assignments, powers of attorney and other papers, communicate to said Assignee, its successors, assigns, and representatives, all facts known to me/us relating to the invention and the history thereof, and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining in the United States proper patent protection for the invention and for vesting the full and exclusive right to the said invention in the United States and the entire right, title and interest in and to all Patents which may be granted therefor in the United States for the invention in said Assignee, its successors, assigns and legal representatives; and

I/we covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by me/us, and that I/we possess the full right to convey the same as herein expressed.
