ASSIGNMENT AND AGREEMENT

FOR VALUE RECEIVED, I, KARL LAI, a citizen of Hong Kong, and residing at House 20 Constellation Cove, 1 Hung Lam Drive, Tai Po, N.T., Hong Kong hereby sell, assign and transfer to **THE SUN LOCK COMPANY LTD.**, a limited company duly organized and existing under the laws of Hong Kong, and having a principal place of business at Room 5, Block C, 16/F Hang Wai Industrial Center, 6 Kin Tai Street, Tuen Mun, N.T., Hong Kong, as assignee, and its successors, assigns and legal representatives, the entire right, title and interest, for all countries, including all rights to claim priority, in and to certain inventions relating to improvements in a **COMBINATION PADLOCK WITH ANTI-PICK AND ANTI-PEEK MECHANISM**, which is described in a U.S. patent application by **KARL LAI** and executed on **EVEN DATE HEREWITH**; and all the rights and privileges under any and all Letters Patent that may be granted therefor, and any legal equivalent thereof in a foreign country, including the right to claim priority.

I request that any and all patents for said inventions be issued to said assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

I agree that, when requested, I will, without charge to said assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said assignee, its successors, assigns and legal representatives or nominees.

I authorize and empower the said assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority provided by: (a) any and all other applications for letters patent on said inventions in whatsoever countries, including all divisional, renewal, substitute and continuation applications based in whole or in part upon said inventions; (b) the International Convention for the Protection of Industrial property, as amended, or by convention which may henceforth be substituted for it; and (c) the Patent Cooperation Treaty, as amended, or by any treaty which may henceforth be substituted for it; and

to invoke and claim such right of priority without further written or oral authorization from us.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said assignee or nominee to claim the aforesaid benefit of the right of priority provided by: (a) any and all other applications for letters patent on said inventions in whatsoever countries, including all divisional, renewal, substitute and continuation applications based in whole or in part upon said inventions; (b) the International Convention for the protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it; and (c) the Patent Cooperation Treaty, as amended, or by any treaty which may henceforth be substituted for it.

I covenant with said assignee, its successors and assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that we have full right to convey the same as herein expressed.

Signed at HONG KONG this 8th day of August, in the year 2015.

Karl LAI
