ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, we

Lingxin Kong of Campbell, California
Nailong Wang of Campbell, California
Ze Han of Campbell, California

hereby sell, assign and transfer to Dialog Semiconductor Inc., a California corporation, having a place of business at 675 Campbell Technology Parkway, Suite 150, Campbell, California 95008, its successors and assigns, the entire right, title and interest throughout the world in my invention in

ARBITRARY PULSE ALIGNMENT TO REDUCE LED FLICKER

for which we filed a United States Patent Application on July 23, 2015 and given Serial Number 14/807,171, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; we authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from me; we agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, their successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and we request that the United States Patent and Trademark Office issue all patents granted for said invention to the above-named assignee, its successors and assigns.
