ASSIGNMENT

1. **WHEREAS**, Dongguan Humen Nanzha World Wide Stationery Manufacturing Co., Ltd. of Dongguan City, Guangdong Province, P.R. China, a corporation duly organized and existing under and by virtue of the laws of China (hereinafter referred to as Assignor), is the owner of the entire right, title, and interest in and to a certain application for letters patent of the United States (WW/NP0905; WWSM 2626.1) entitled RING BINDER MECHANISM HAVING DUAL TIME BUFFER ACTUATOR, and to patent applications for the same filed in the People's Republic of China (Serial No. 201010003177.9, filed January 14, 2010 and the United States Serial No. 12/826,035 filed June 29, 2010), and to the invention disclosed in aforesaid applications;

2. **WHEREAS**, World Wide Stationery Manufacturing Co., Ltd. of Hong Kong, China, a corporation duly organized and existing under and by virtue of the laws of China (hereinafter referred to as Assignee), is desirous of acquiring said right, title, and interest of Assignor;

3. **NOW, THEREFORE**, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration by Assignee to Assignor in hand paid, receipt of all of which is hereby acknowledged, Assignor has agreed to and does hereby sell, assign, and transfer unto Assignee, its successors and assigns, all of Assignor's right, title, and interest in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto, in and to said invention, said Chinese application, said United States

application, any other United States applications (including provisional, non-provisional, divisional, continuing or reissue applications) based in whole or in part on said United States application, based in whole or in part on said Chinese application, or in whole or in part on said invention, any foreign applications based in whole or in part on any of the aforesaid United States application, aforesaid Chinese application, or in whole or in part on said invention, and any and all patents (including extensions thereof) of any country which have been or may be granted on any of the aforesaid applications or on said invention or any part thereof;

4. **TO BE HELD AND ENJOYED BY** Assignee, its successors and assigns, to the ends of the respective full terms for which said patents have been or may be granted, as fully and entirely as the same would have been held and enjoyed by Assignor had this sale and assignment not been made;

5. **AND** Assignor hereby authorizes and requests the Director of the United States Patent and Trademark Office of the United States of America to issue any and all United States patents which may be granted upon said United States patent applications to assignee, its successors and assigns;

6. **AND** Assignor hereby agrees to execute without further consideration any further lawful documents and any further assurances, and any provisional, non-provisional, divisional, continuing, reissue, or other applications for patents of any country, that may be deemed necessary by said Assignee, its successors or assigns fully to secure its interest as aforesaid

in and to said invention or any part thereof, and in and to said patent applications or any of them, and in and to said several patents or any of them;

7. **AND** Assignor covenants that Assignor has granted no right or license to make, use or sell said invention to anyone except said Assignee, that prior to the execution of this deed Assignor's right, title, and interest in said invention has not been otherwise encumbered, and that Assignor has not executed and will not execute any instrument in conflict herewith.

8. **IN WITNESS WHEREOF**, Assignor has caused these presents to be executed by its officers thereunto duly authorized this 30th day of December, 2010.
