ASSIGNMENT

For valuable consideration, I, David M. Oaknin, having an address at 919 North Ocean Blvd., Myrtle Beach, SC 29577 hereby distribute, convey, transfer and assign to: I Love Sugar, Inc., a corporation of South Carolina having a place of business at: P.O. Box 1859, Myrtle Beach, SC 29578 and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in the inventions, improvements and all patent applications that are subject of an application for United States Patent signed by me, entitled "BEAR-SHAPED CONTAINER", filed on July 14, 2015 and assigned Serial No. 29/533,102 and to any continuations, divisions, reissues, reexaminations and extensions thereof along with any and all rights of enforcement and causes of action with respect thereto, and

I authorize and request the attorneys appointed in said application to hereafter complete this assignment by inserting above the filing date and serial number of said application when known; this assignment including said application, any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and I authorize the Assignee to apply in all countries in our names or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and I agree for ourselves and our respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment
