I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I have reviewed and understand the contents of the application, including the claims.

I am aware of the duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability as defined in 37 CFR Section 1.56.

Whereas, the undersigned inventor(s) has/have made certain inventions, improvements, and discoveries (herein referred to as the "Invention") disclosed in the above-identified patent application and further identified by the Docket Number provided above in the header of this document;

Whereas, ELECTRO STANDARDS LABORATORIES of 36 Western Industrial Drive, Cranston, Rhode Island 02921, desires to acquire, and each undersigned inventor desires to grant to ELECTRO STANDARDS LABORATORIES, the entire worldwide right, title, and interest in and to the Invention and in and to any and all patent applications and patents directed thereto;
