ASSIGNMENT AND AGREEMENT

For value received, we, **Donald E. Godshaw** of the City of Wilmette in the State of Illinois, **Du Hai** of the City of Uncasville in the State of Connecticut, and **Bryce Ryan Hickman** of the City of Schaumburg in the State of Illinois, hereby sell, assign and transfer to **TRAVEL CADDY, INC.**, an Illinois corporation doing business as **TRAVELON**, having an office at 700 Touhy Avenue, Elk Grove Village, Illinois 60007 USA, and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America and throughout the world, in, to and under certain inventions, whether claimed or unclaimed, related to **ANTI-THEFT CARRYING STRAP** described and claimed in an application for Letters Patent of the United States executed by us and filed on March 6, 2015 as U.S. Patent Application No. 14/641,206, and all divisional, continuation and continuation-in-part applications thereof, all reissues, reexaminations and extensions thereof, including all rights of priority arising from said application, and all the rights and privileges in said applications and under any and all patents, patent applications, patent rights, and inventor's certificates thereof that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to Travel Caddy, Inc., the entire right, title and interest in and to said inventions and all patents, patent applications, patent rights, and inventor's certificates thereof for all countries foreign to the United States and for all other authorities, organizations or entities, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions; and with all of these rights, title and interest to be held and enjoyed by Travel Caddy, Inc. as fully and completely as the same would have been held by me or us had this assignment not been made, and the right to sue for, and recover for past infringements of, or liabilities for, any of the rights relating to any of the application, patents, utility models, or other similar rights resulting therefrom.

We authorize Travel Caddy, Inc. to make application for such protection in its own name and maintain such protection in the United States and any and all countries foreign to the United States and all other authorities, organizations or entities, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Travel Caddy, Inc. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Travel Caddy, Inc. in the United States and in all countries and all other authorities, organizations or entities foreign to the United States, or to such nominees as Travel Caddy, Inc. may designate.

We agree that, when requested, we shall, without charge to Travel Caddy, Inc. but at its expense, sign all papers, testify, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection, including but not limited to any supplemental examination, derivation proceedings, opposition, post grant review, reissue, reexamination, inter partes review, extension thereof, or litigation related thereto, including for protecting the validity of or protecting title to title to said invention, and further agree not to challenge or participate in any challenge to the assigned inventions, or any patent application or patent thereon, whether by litigation, post grant review, inter partes review, reexamination, or otherwise.
