ASSIGNMENT

For valuable consideration, the receipt of which is hereby acknowledged,

I, Qiang Lu, of Ningbo Yinzhou China, hereby assign to:

Red Origen, LLC, a Limited Liability Company of Texas, having a place of business at:  
520 Central Parkway East, Suite 106, Plano, TX 75074; and

its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in the inventions and improvements which are subject of an application for United States Patent, entitled WATER FILTER FITTING SECTION, filed 8/17/2015, and assigned U.S. Serial Number 29536380, this assignment including said application, any and all United States and foreign patents, divisionals, continuations, continuation-in-parts, reissues, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and I authorize the Assignee to apply in all countries in my name or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and I agree for me and my respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment. An attorney of record, or the attorney filing the application, is hereby authorized to insert into this assignment the filing date of the application and/or the serial number of the application, when officially known, by execution of this assignment.
